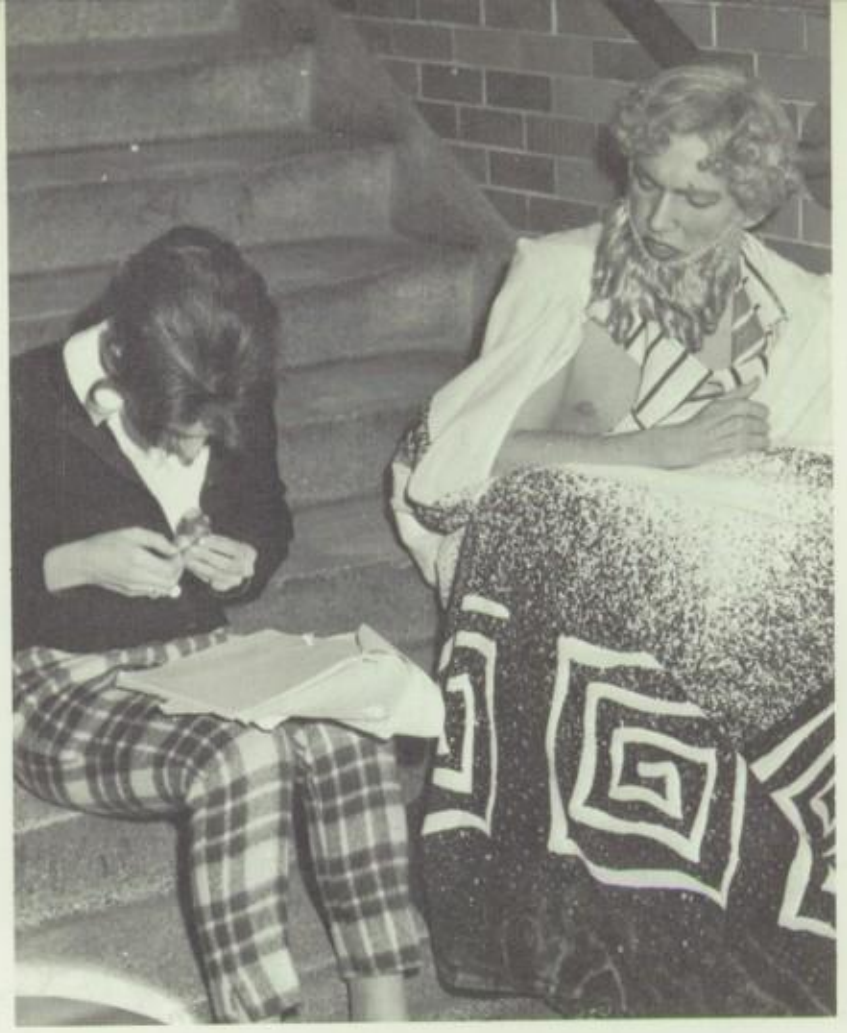
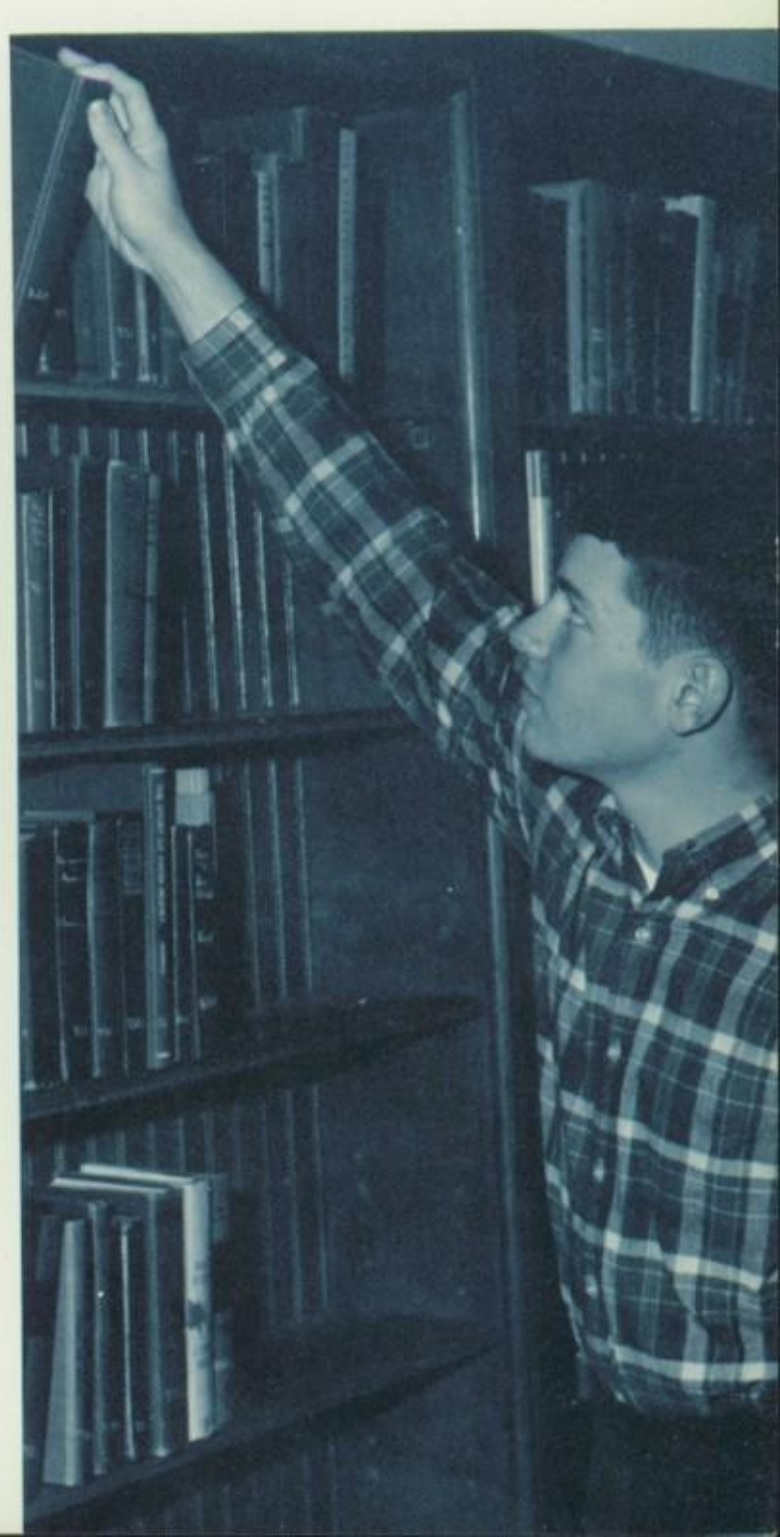
I suppose you are wondering why I am writing over here. I don't really know. I guess it's just because you did. Well now you are a big letterman and you are going to be so crowded around by girls that you won't know which one to go with so consequently you won't have any dates atall. Every time I talk to Sherry she always asks about you. So good luck and if you need any help with any of all those girls just call on me, Handsom Navie.

STUDENTS SEEK ACADEMIC

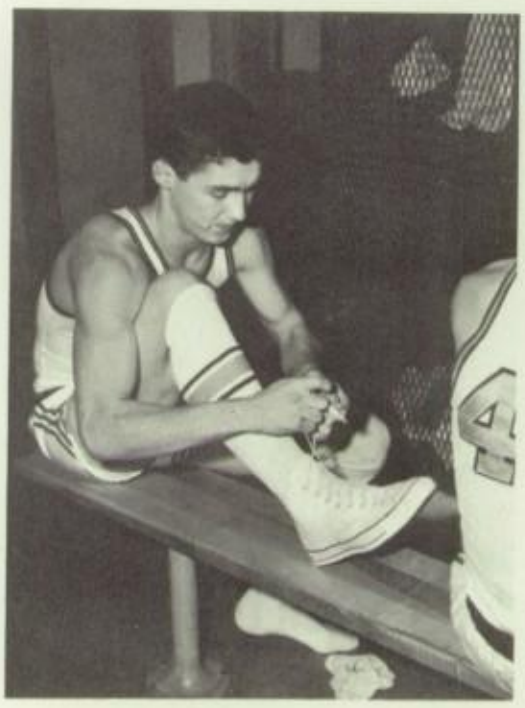
The student is a flexible individual. He is not merely one who studies. He is a pliant person—able to change moods by the hour, and intellectual attitude by the class. He must be ready to listen and be prepared to participate. His mind must be attentive while being retentive, storing knowledge perhaps not for his immediate, but eventual, use. Here, the academic side of life at Riley can be seen. The students' faces reflect the many moods involved in academic achievement. Weariness from mental exhaustion; absorption in a new assignment; satisfaction in explaining a difficult problem; concentration in learning a lesson; anxiety in reviewing lines; relaxation in one another's company; and most important of all, desire in seeking new knowledge to further one's education.

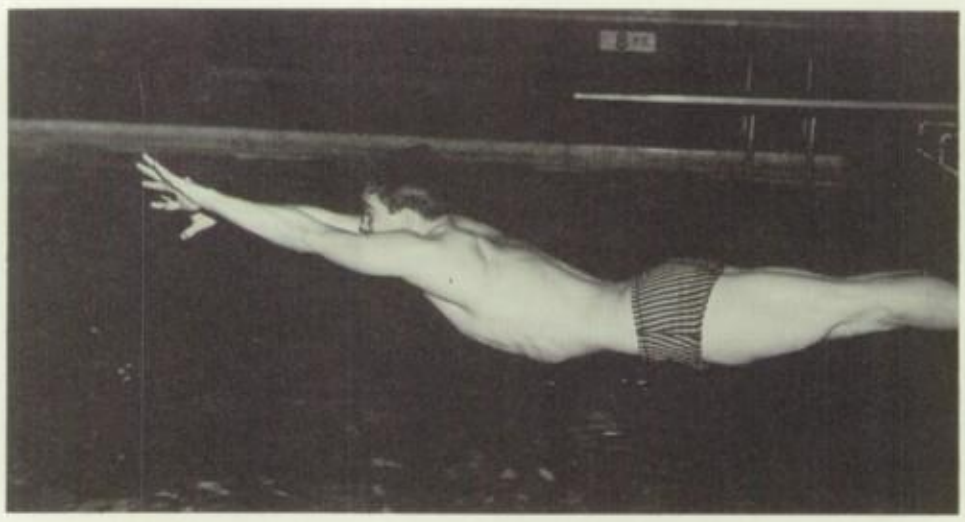


EXCELLENCE



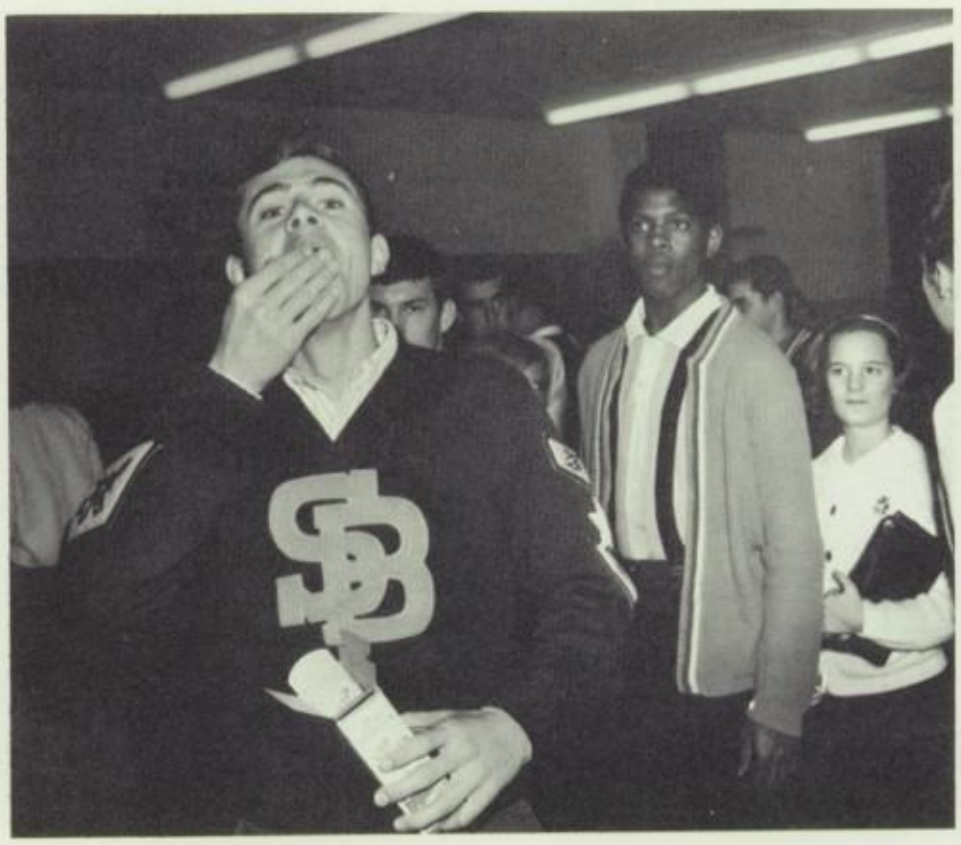
INTEREST IN SPORTS



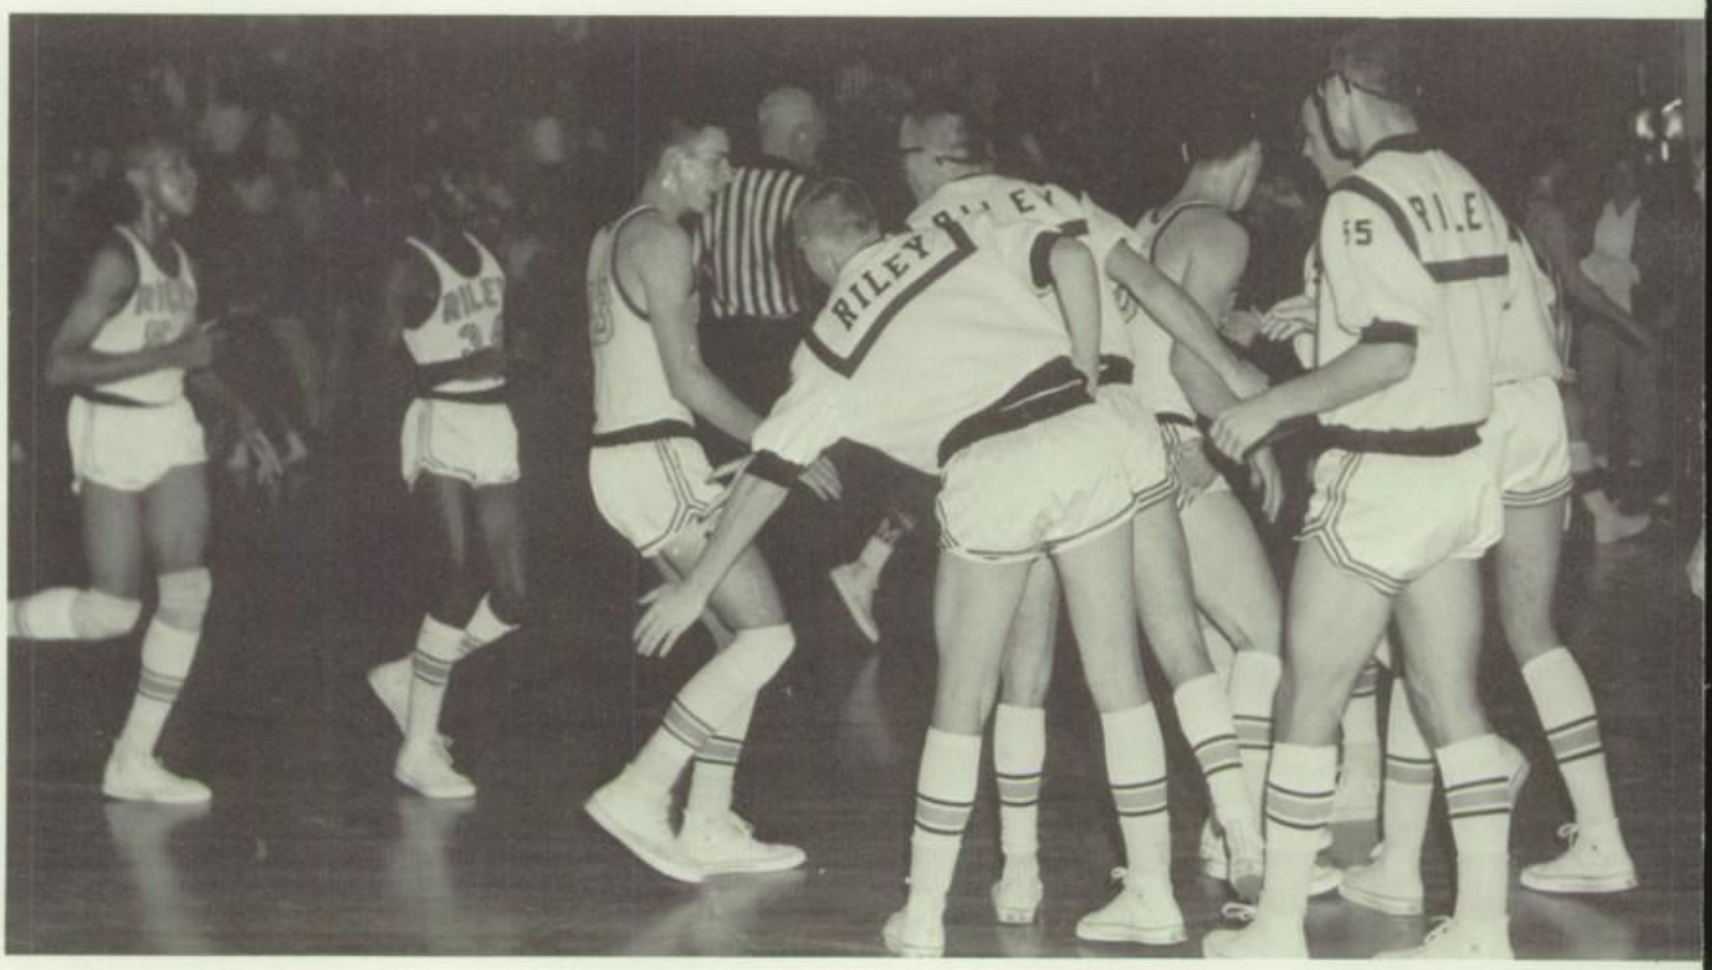


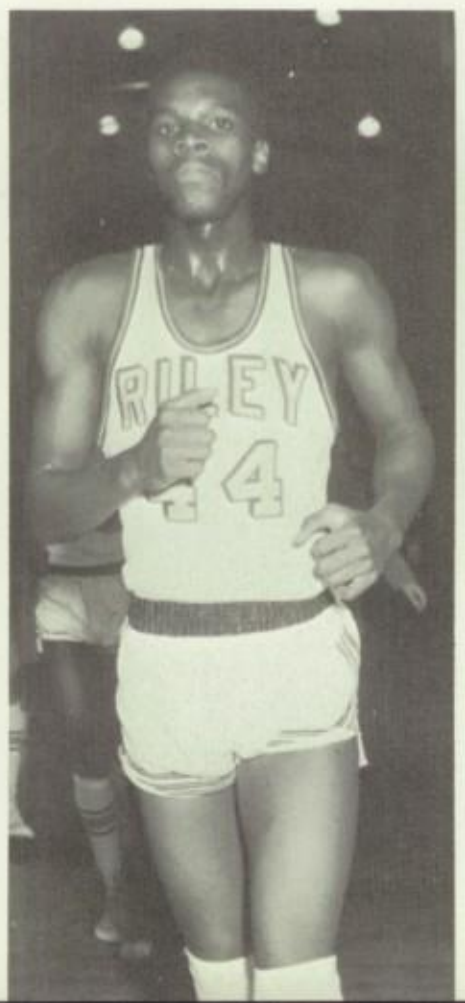
INCREASES

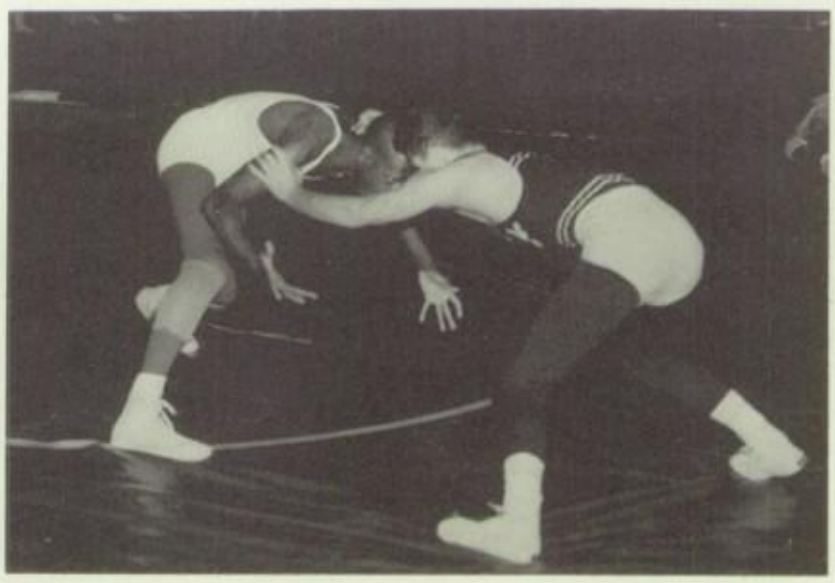
Athletics constitutes an important part of school spirit. It is the deciding factor in judging the quality of a student body. It is easy to be jubilant in victory but much more difficult to be humble in defeat. A good student body is able to support the various types of competitive sports and remain behind the team regardless of a game's outcome. Student's here have excelled this year in the backing of athletic events. From parades to rallies the spirit has increased to great proportions. Victory has been present on the football field, in the swimming pool, on the basketball court—while pride has been a common bond among students at Riley High.



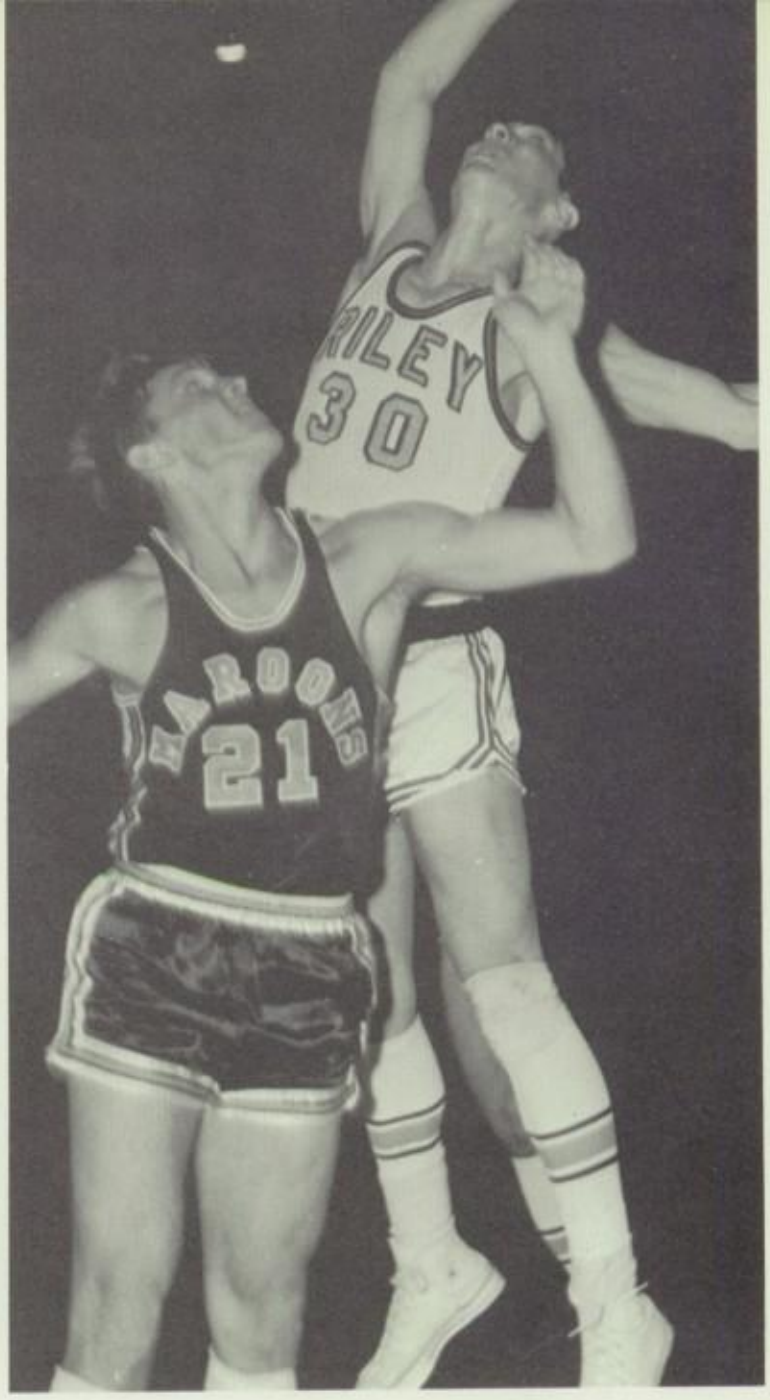
SCHOOL SPIRIT SHOWN THROUGH SUPPORT

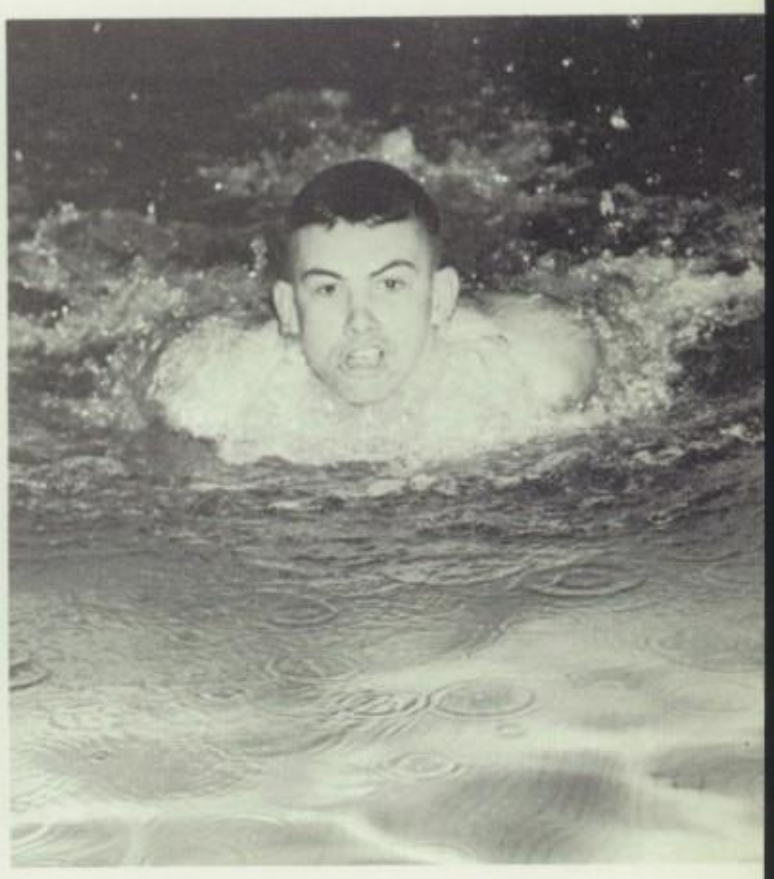






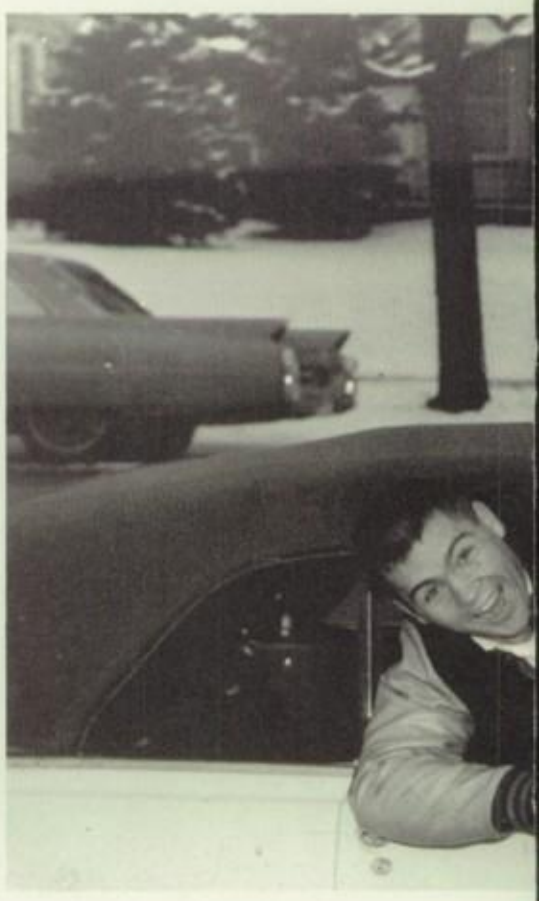
Competition is an ever increasing and present factor in the life of a student. In school, the main opposition faced is that in studies. Some individuals, however, have the ability to compete in sports. Wrestling, basketball, swimming, and golf are only a few of the competitive games in which Rileyites participate. The spectator is also a participating individual in these games as he is the one who encourages the team on to victory. The combination of these two groups, those playing and those watching, goes into making the school strong and unified in victory or defeat.



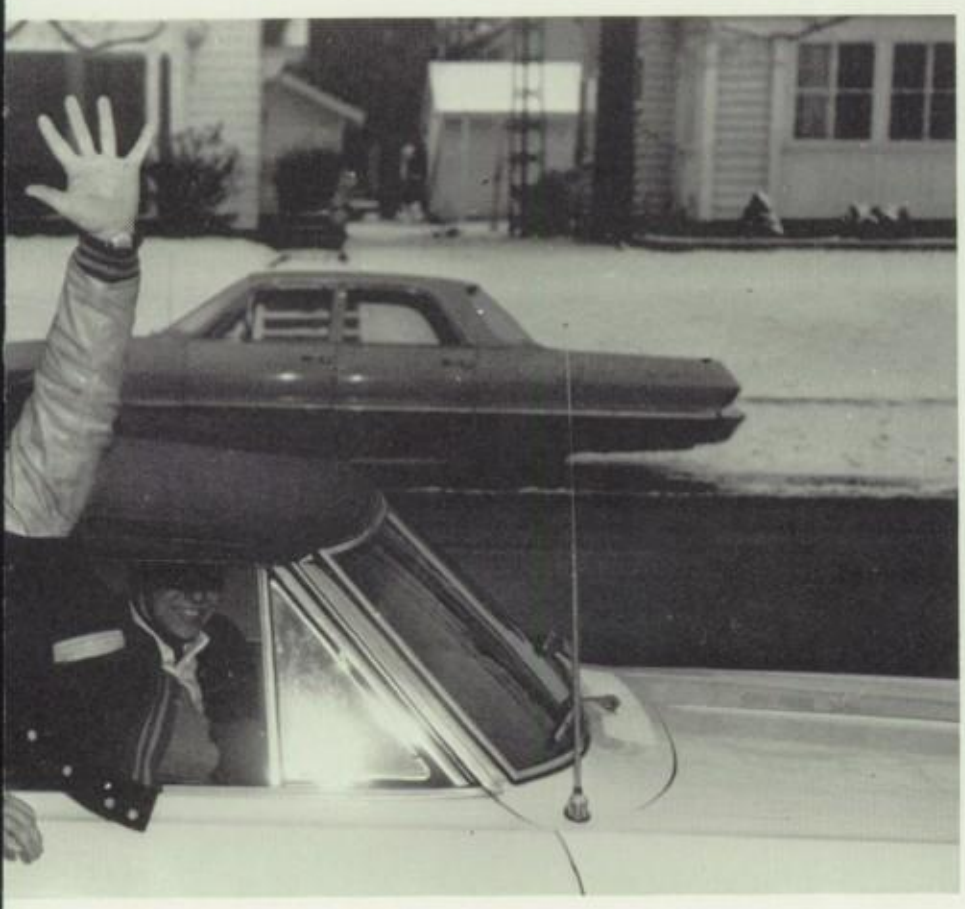


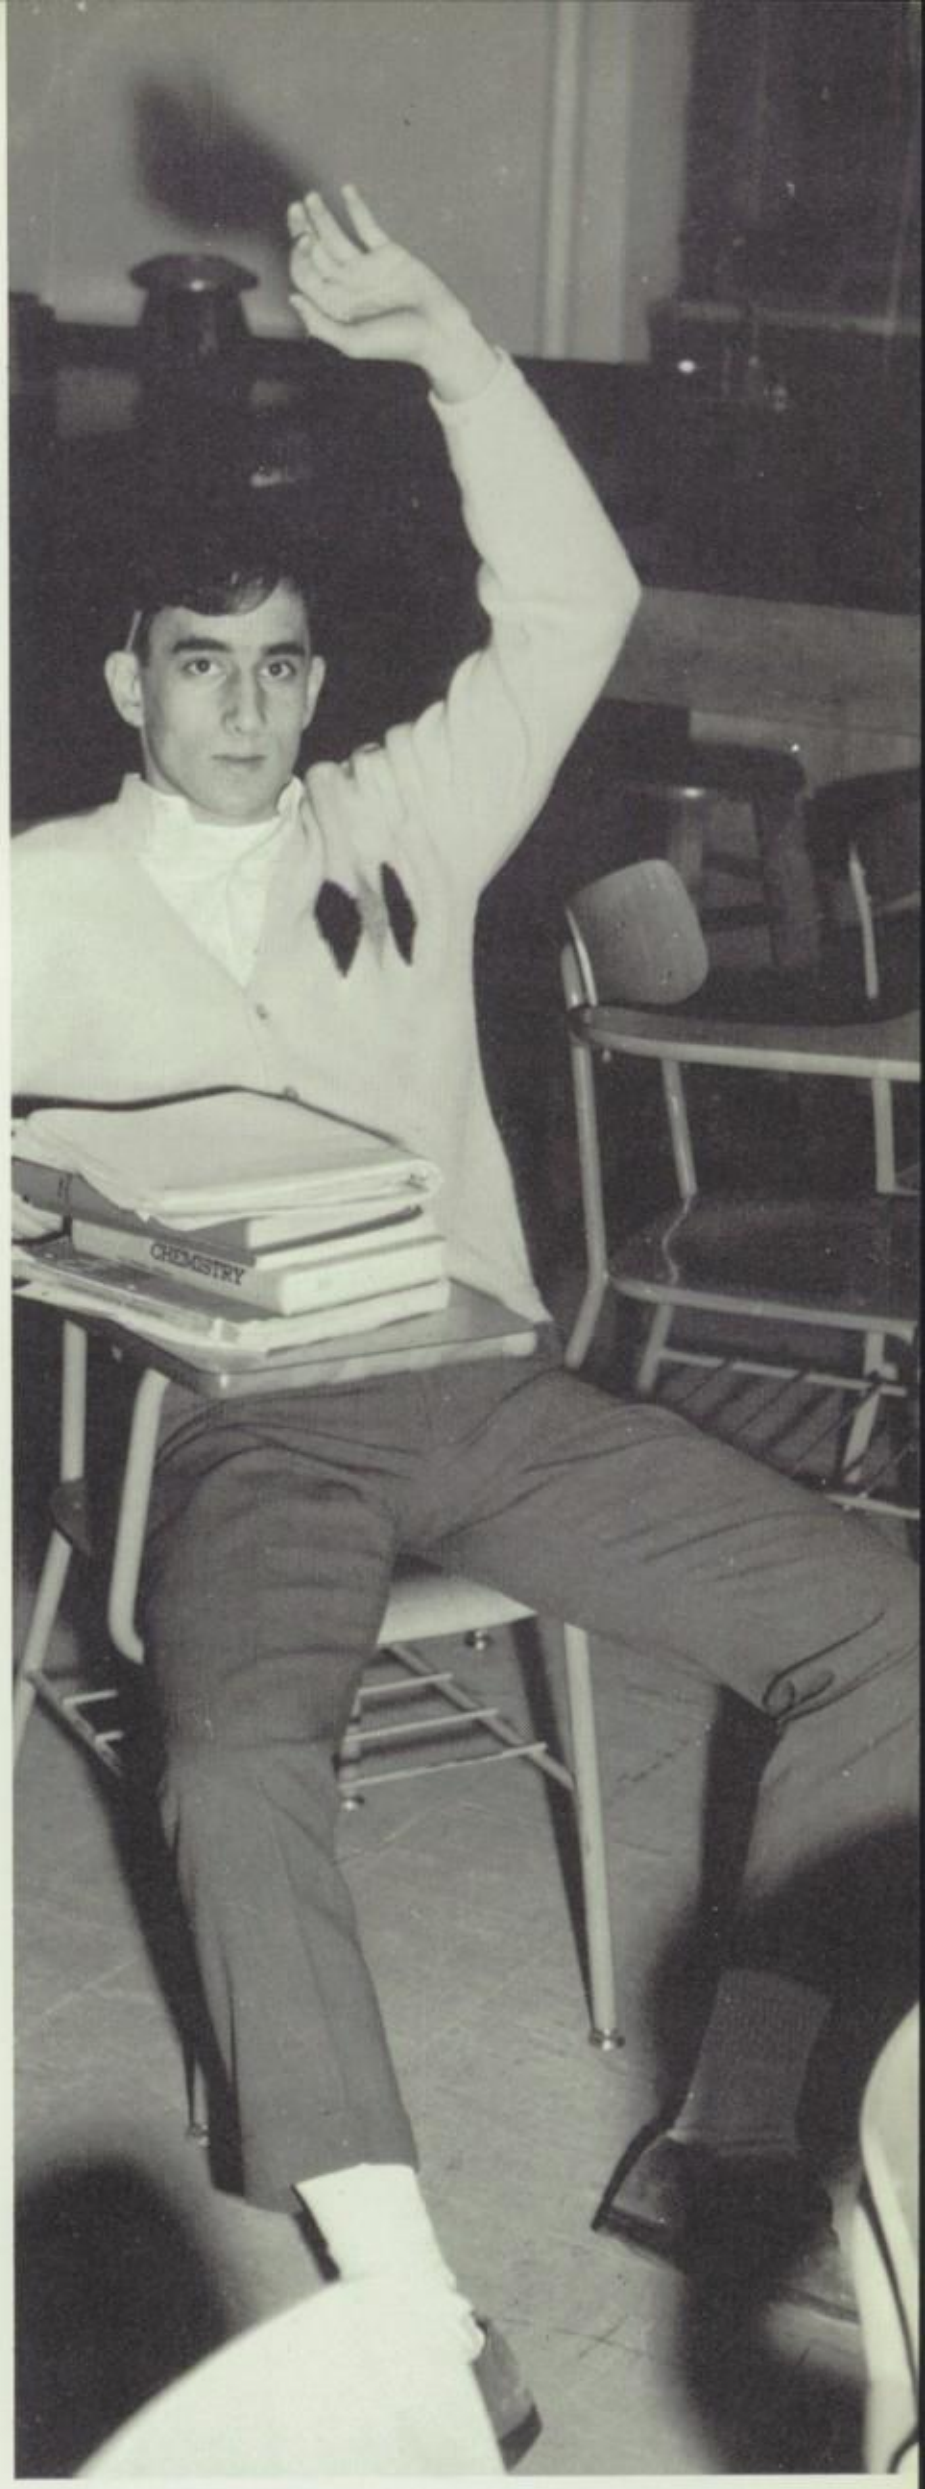
A SCHOOL DAY

This is Riley as shown by the students. The day is begun rather reluctantly. After the regular routine of making oneself presentable for school, the masses can be seen arriving to attend their seven o'clock classes. Those who come later have the benefit of sun to guide their way, but still need some sort of refresher such as winter snow. Now the day is on its way—first hour, second hour, third hour and it's time for lunch. With a look of hunger on his face, the student tries bravely to overcome mental dullness caused by lack of food. But then the bell rings and he is saved. The exultation felt by students during lunch is unparalleled knowing two-thirds of the school is still laboring. One fifteen and the routine begins again. Time drags. When it seems as if fifteen minutes have passed, the student looks up at the clock and finds that only four have ticked away. Ten minutes are left—now five, two and one. School is out for the day. The students eagerly leave for home, but the knowledge acquired at school remains with the pupil to be absorbed in his mind and to be strengthened on the next day, when he returns to school.



IN PICTURES

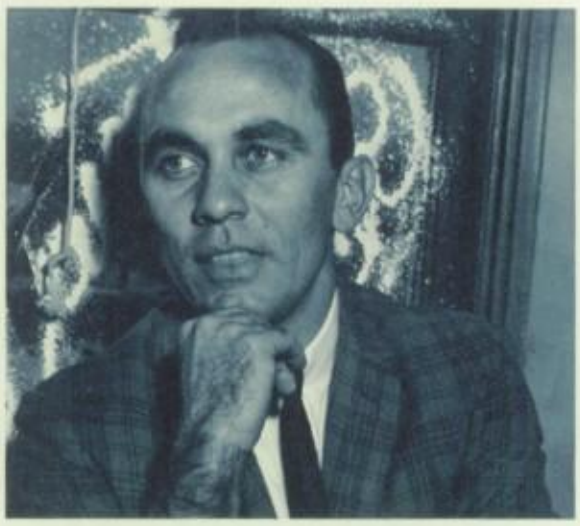




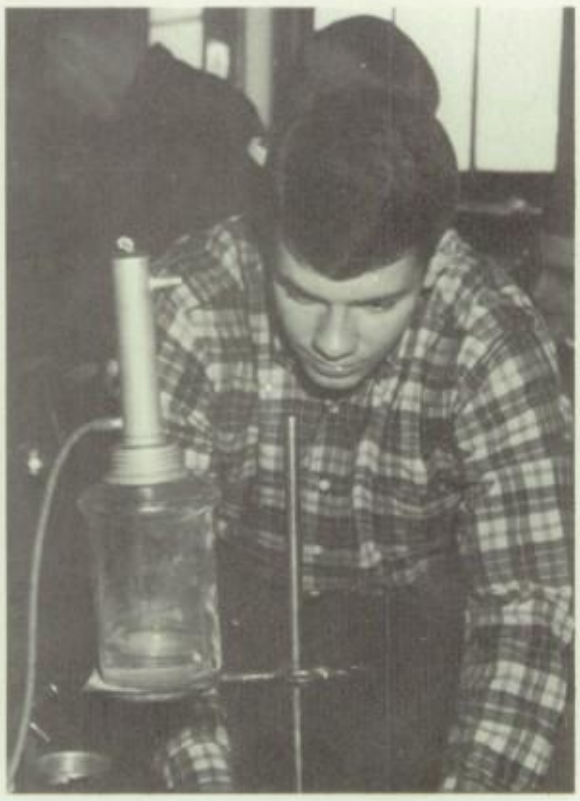
ACTIVITIES ADD TO

The activity which goes on at school is never ending. It can be seen in the halls as a monitor apprehends a violator of the hall pass rule. It is evident in the locker room as a boy prepares to switch his concentration from athletics to academics. Activity takes on the form of practice as a tuba player rehearses for a school concert. Evidence of holidays appears as students busy themselves with the special preparation of an approaching season. An assembly marks the going forth of time and the climax to weeks of practice by two of the school's finest groups, the glee club and the orchestra. Accomplishment in study is awarded by induction into the National Honor Society and by the presentation of scholarship pins. This is recognition of a student's above average "activity" in his work. By incorporating all this movement, a vibrant, alive student body is formed—one that has an interest in its school and community, which, in turn, results in the school's and community's interest in and awareness of their activities.

SCHOOL'S STRENGTH

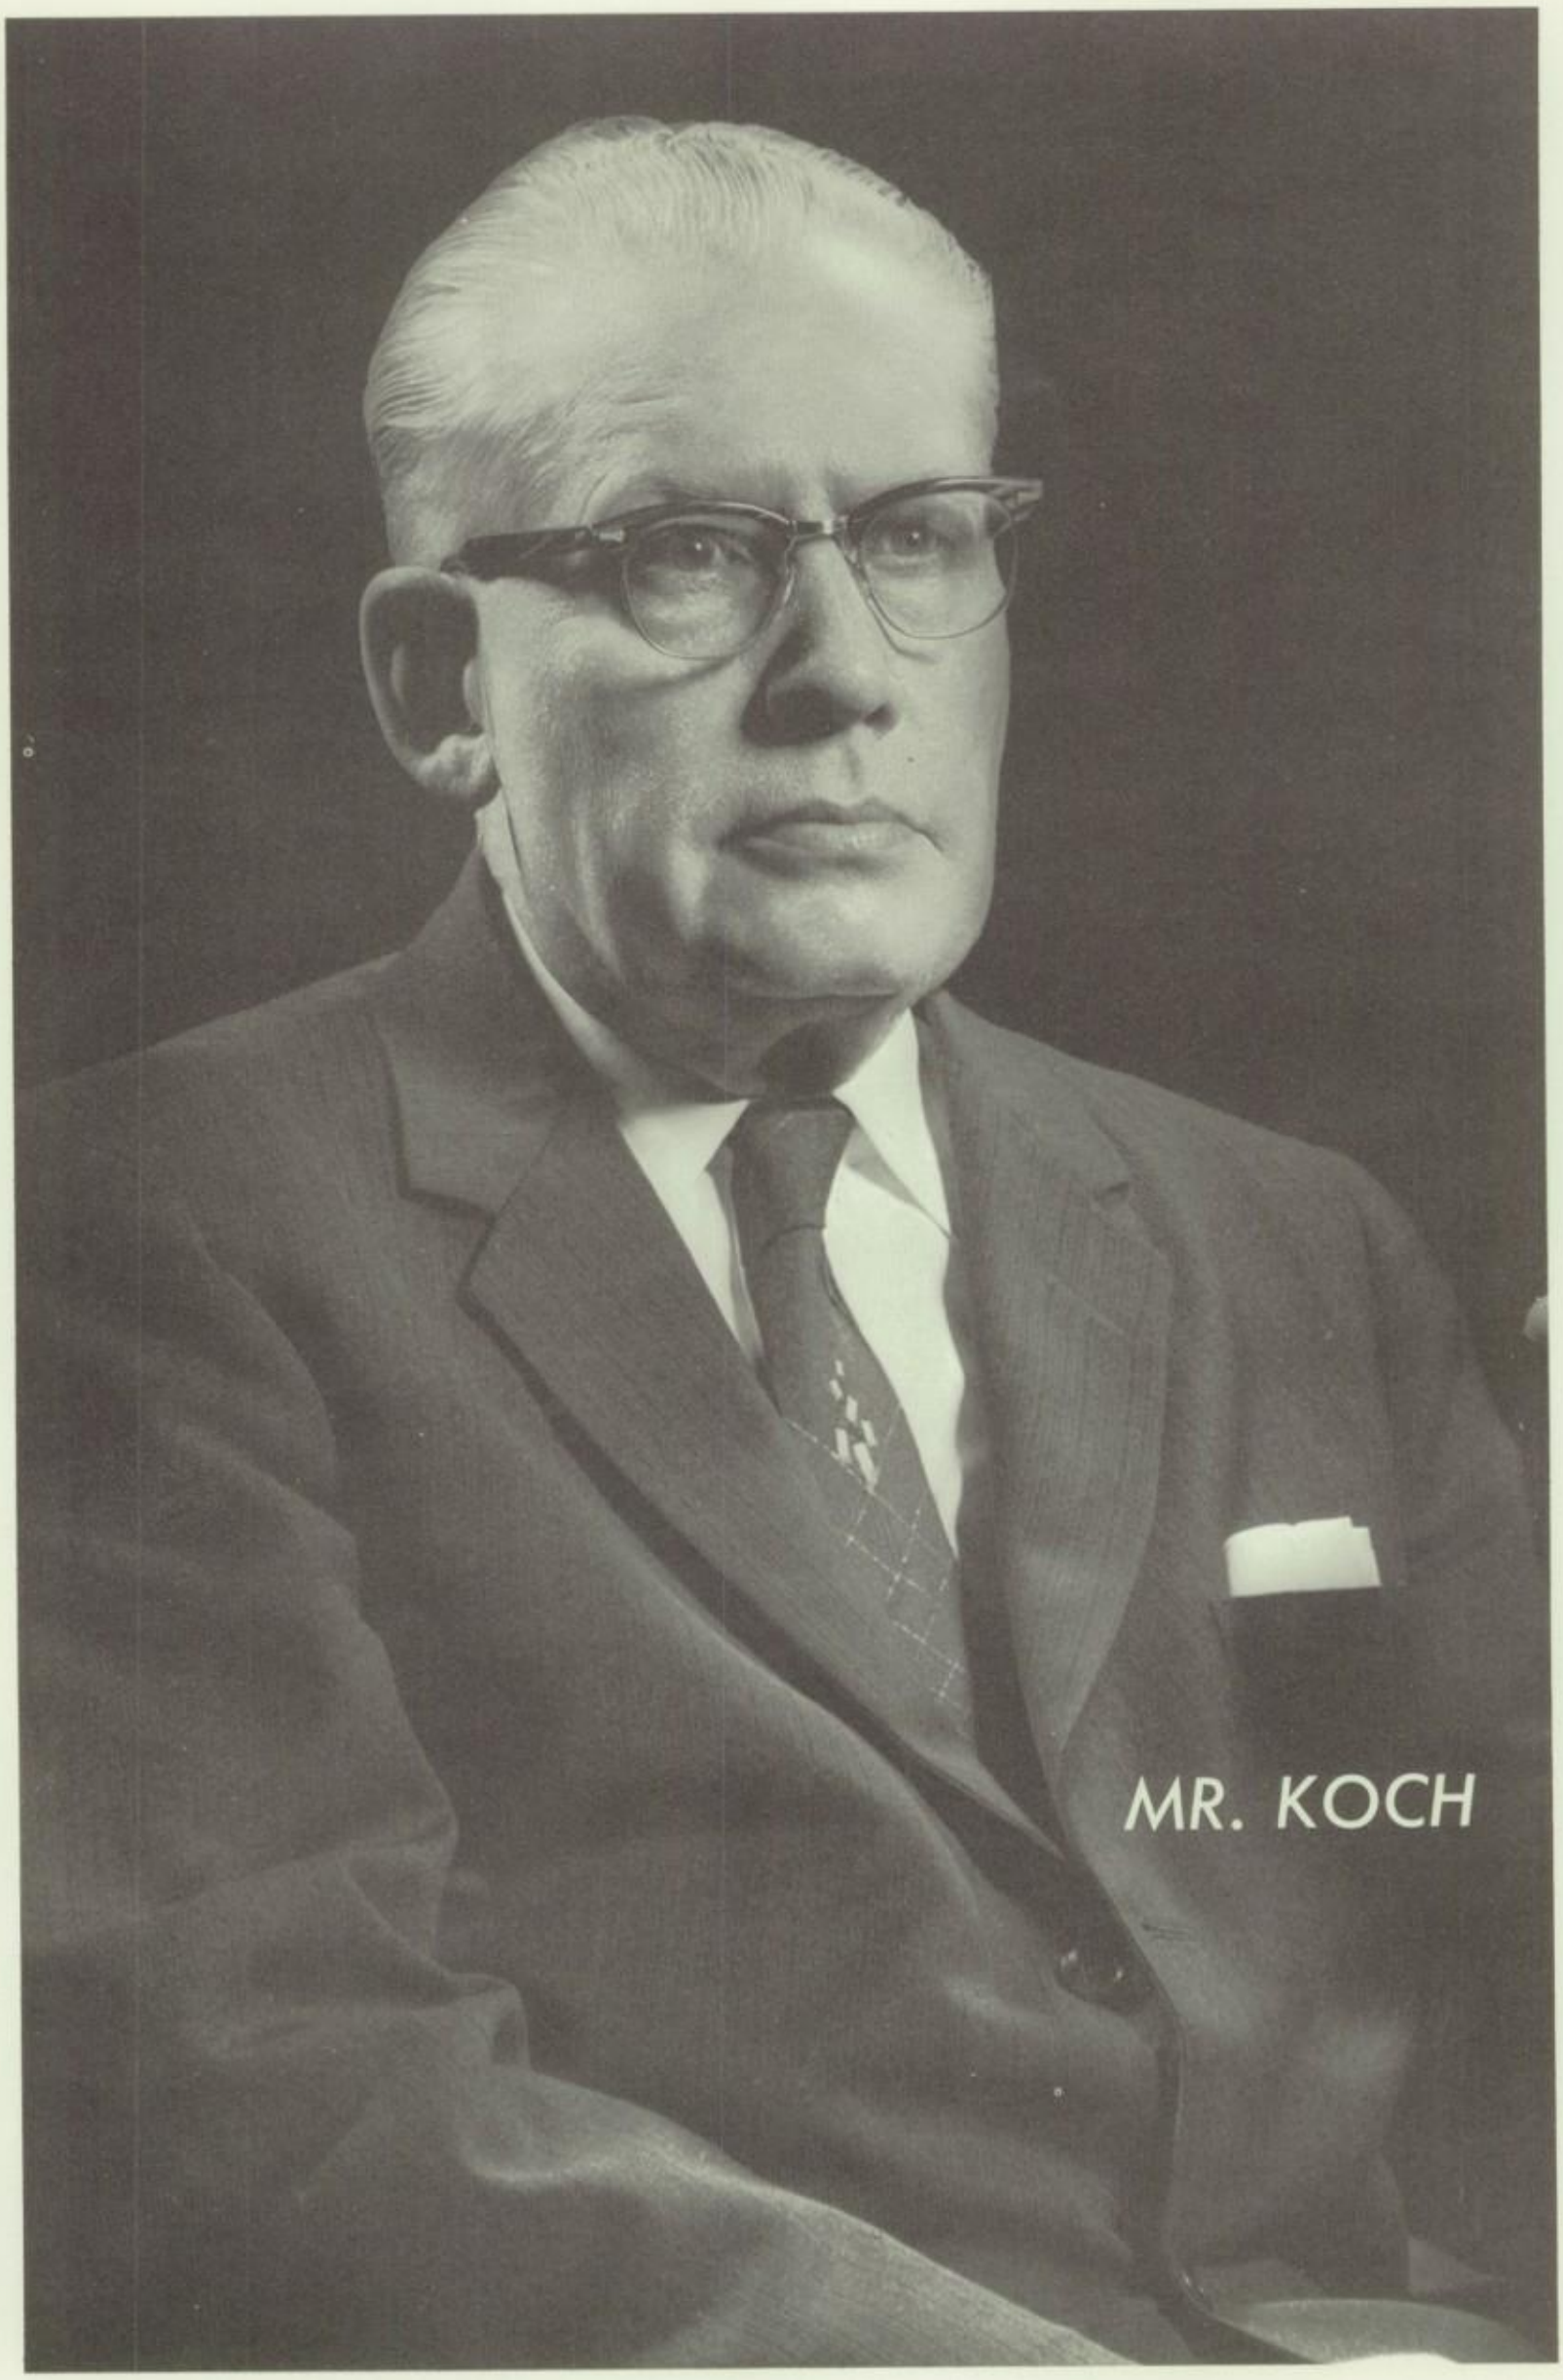


LEADERS-TODAY AND



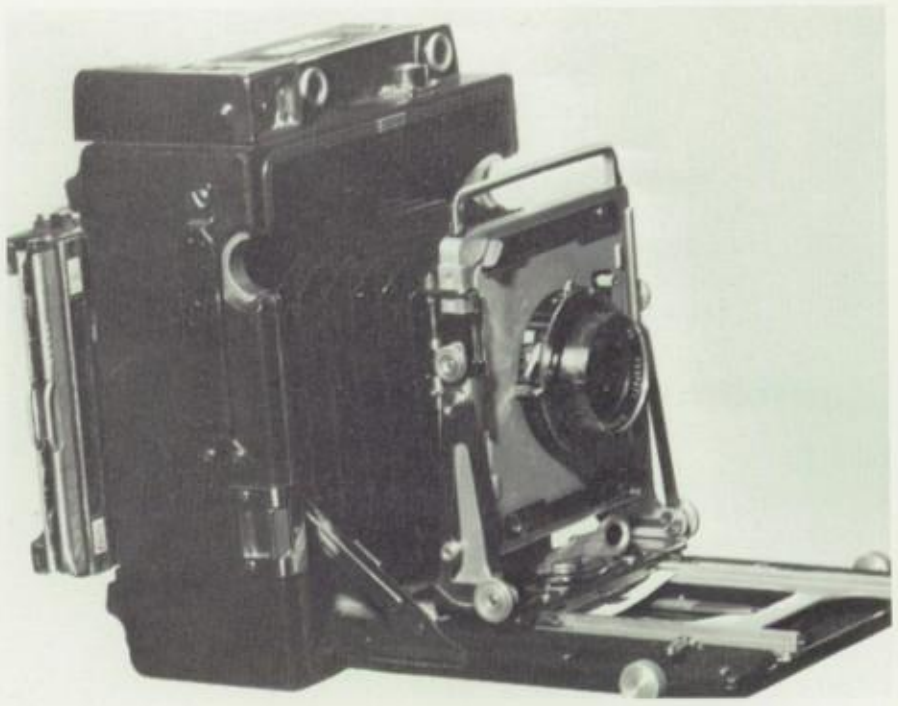
The Opening Section of the yearbook would be incomplete without a page devoted to teachers; for they, like this section are opening minds to what lies ahead. They are the instructors, the informers, the educators of great minds to be. They shape opinions, encourage creativity, and implant ambitions. Surprisingly enough, they are also human. By observing these pictures, one can plainly see that the stern classroom expression possessed by most teachers is easily changed into an affable grin. A meditative air is usually retained, but suppressed before and after the class bell. Most likely the revised scheduling process is the cause of the counselor's problem. A teacher, because he is mortal, deliberately plans to instruct his pupils properly—especially if his subject is science. A teacher, because he wants his students to learn, assigns homework. He does not make assignments for sadistic reasons. A teacher, because he is human, feels the same school spirit his pupils do except in a more reserved manner. A teacher, because he is a friend, is willing to help those who need it. Teachers affect eternity—they never know where their influence ends.

TOMORROW



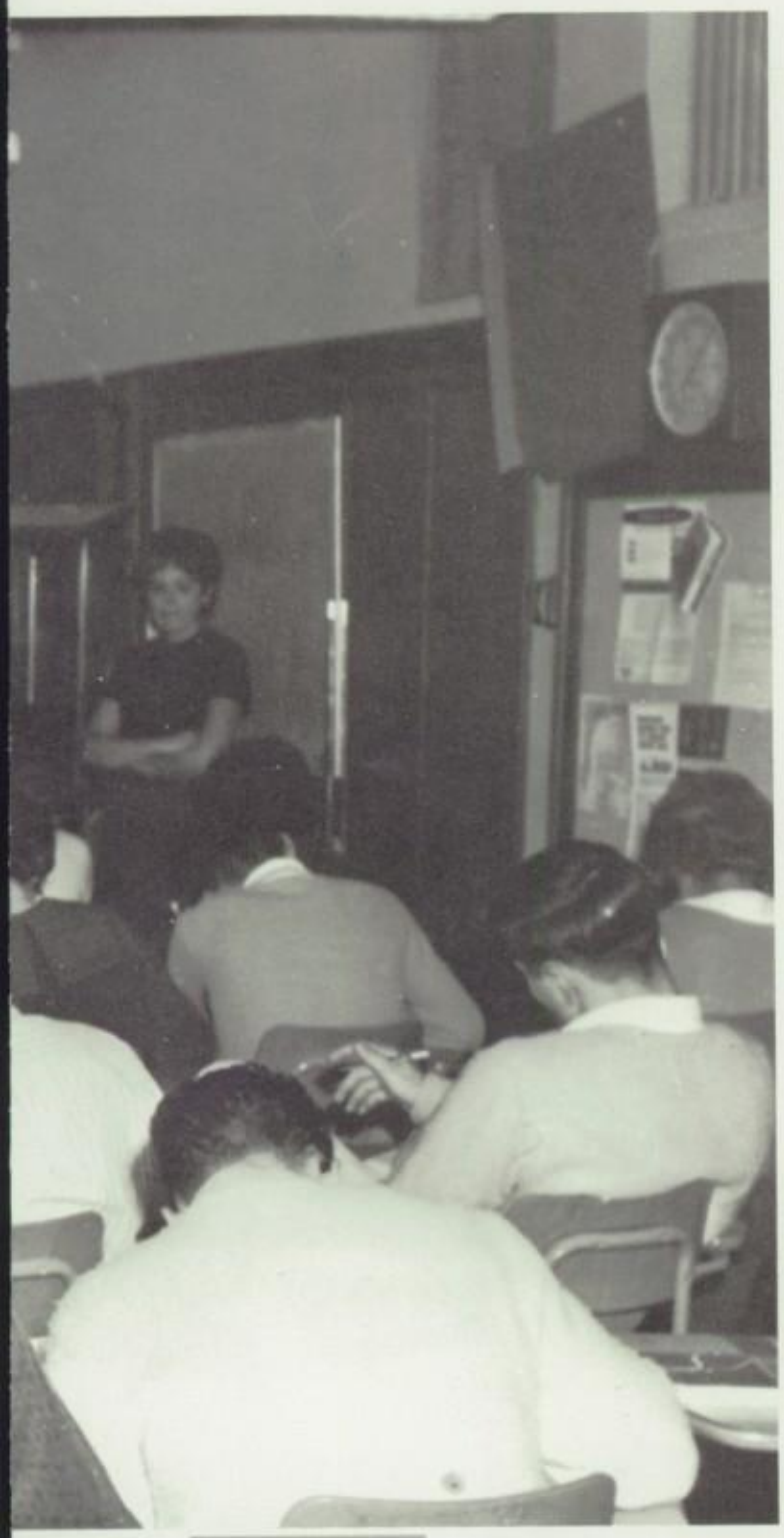
MR. KOCH

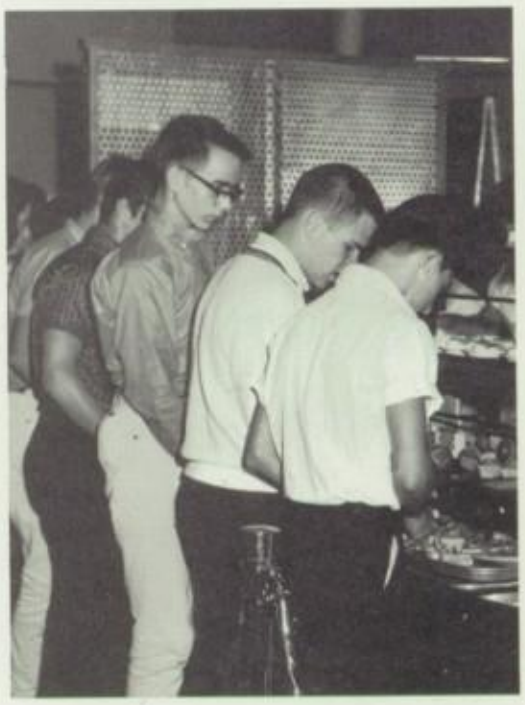
You left our mortal, finite world last spring, but your memory has lived on in our minds and in our work. As our yearbook advisor you taught us much. We learned how to make our annuals interesting so that we could look back over the years with pleasure. You provided the pictures that complemented the written facts to make our memories whole. No words could ever fully express our gratitude. Because you were so vital to us we dedicate this, *The 1965 Hoosier Poet,* to you.



AIM IN

ACADEMICS





Mr. Howard L. Crouse became principal of Riley in September, 1961, coming to us from Connorsville, Indiana. In addition to his many duties at Riley, he is a member of the Rotary Club and the Indiana Association of Junior and Senior High Principals.

Mr. Crouse graduated from Purdue and holds an M.S. degree from Indiana University. He uses his fine attributes to make Riley an established institution of education.

ADMINISTRATION

Mr. James L. Early, Assistant Principal, graduated from Ball State Teachers College with an M.A. degree. He was recently appointed Principal of the new Jackson High School which is presently under construction.

At Riley he is the advisor of the Student Council and leads the way to a well organized student body.

GUIDANCE COUNSELORS

Mr. Barack, Mr. Stetz, Dr. Dekker, Mrs. Hammond, and Mrs. Cassidy share in the responsibility of guiding Riley students toward worthwhile paths in life which fuses from the individual potential and desire.

This year a record breaking enrollment of more than 2,300 students comprises the lingering line beckoning the counselor's suggestions in regard to curricular decisions.

Whenever a group of people focus their attention toward the completion of a job, their efforts ultimately begin or end in the area commonly referred to as the office. The members presiding over the mainstream area are from left to right: Mrs. Millar, Mrs. Mikel, Mrs. Nowicki, Mrs. Robinson, and Mrs. Earhart.

Mr. Daniel W. Stetz, in his work as head counselor, influences the lines of students by providing accurate records of all seniors and their class ratings. In addition he submits helpful information in regard to future vocational and professional pursuits.

The following English teachers are striving constantly to bring the English students up to perfection. The emphasis in high school is leaning more and more toward higher education. Courses are not only college preparatory but also college level. Since English, Math, and Science are the required college courses, the facilities for these subjects have been greatly improved in the past few years. In science the new labs have greatly encouraged participation in this field. With the increase of the amount of paper back books, the acquiring and reading of classic novels has increased immensely. Due to the increased need for mathematician and the knowledge obtained by the students participation in the higher math course has grown.

Guiding the minds towards science are the following science teachers: *STANDING* are Mr. Marker, Mr. Parker, Mr. Barnbrook, Mr. Wiatrowski, Mr. Frazier, Mr. Clayton, and Mr. R. Smith. *SITTING* are Miss Wolfe, Mrs. Johnson, and Miss C. Wolf.

The Social Studies Department of Riley consists of the following: *STANDING* Mr. Brenneman, Mr. Kelly, Mr. Kodba, Mr. Wegner, and Mr. Horn. *SITTING* are Miss Abel and Mrs. Barnett. Absent from the picture are Mr. Simpson and Mr. Thompson.

Increasing the knowledge of the Riley students are the following language teachers: *STANDING,* Miss Kiel, Mrs. Anschuets, Mrs. Guhl, Mrs. Orfanos, Mr. G. Smith, and Miss Hartman. *SITTING* are Miss Noble and Miss Brokaw.

Communication through History, Language, and Business is the most effective method of understanding people. They are becoming increasingly important in today's way of life. As the outside world of communications has improved so has the life of Riley. The addition of Russian and the language labs have added much to the knowledge of students in this field of communications. Through History, the students of Riley are learning how the world has progressed since Columbus discovered America. The business students of today are preparing to be business leaders of tomorrow.

Leading the way to a business future are the business teachers. They are: *STANDING,* Mr. Martin, Mr. Coddens, Mr. Armstrong, Mrs. David, Mr. Reidy, Mr. Cooper, and Mr. Sikorski. *SITTING,* Miss Stroup, and Miss Pehrson.

Good music is enjoyed often because of the efforts of the following teachers: Mr. Schmoe, Mr. Kottlowski, and Mr. Habegger. *SITTING* are Mrs. MacMillan and Miss Guilliams.

A functional curriculum is dynamic and ever changing. It embraces the entire learning environment of the student and consists of all the factors which influence teacher learning activities.

Curricular material must be constantly revised and reorganized in the light of findings of occupational surveys, activity analyses, and follow-up studies.

Teaching about domestic endeavors are the home economics staff: Miss Frueh, Miss Walls, and Mrs. Berger. *SITTING* are Mrs. Anderson and Mrs. Bendall.

The industrial arts teachers are: Mr. Byers, Mr. Baldridge, and Mr. Schafer.

A sound body is just as important as a sound mind. The following people have focused their attention on strengthening the physical attributes of the students through class instruction and extra curricular supervision: Mr. Rzeszewski, Miss Curry, Miss Lauer, and Mr. Horvath.

Mrs. Cashman, our school nurse, has the duty of making sure all of the Riley students are in good physical condition.

A locker left open . . . A hallway echoing the silence of evening . . . This tranquil atmosphere, encompassing the usually busy halls with bustling students, leads to a capacity crowd of Riley basketball supporters in our new Gym.

With Riley's mascot, the Wildcat, our cheerleaders, (left to right) Kathy Huber, Ellen Ray, Robin Erickson, Pam Pearson, and Sue Dunkle, are seen on a football field before a game.

Here, Ellen, left, and Kathy, right, show a couple of their cheerleading actions.

At the Miami Street Parade, Ellen, Kathy, Robin, Pam, and Sue shout one of their new cheers as they ride down the street.

The members of our 1964 Football Court are (left to right): Cheryl Love, Sue McKee, Sue Ryan, Denise Haley, Queen Mary Beth Parsons, Barb Johnson, Sue Hall, and Carol Chapman.

Traditional roses are exchanged by Mary Beth with Washington's Queen.

Earlier this year, we, the Riley student body, selected the 1964 Football Court by voting for eight Senior girls. From these eight girls we chose our queen. Then at our Washington-Riley Round-up, which was held at Washington this year, we crowned Mary Beth Parsons our 1964 Football Queen. The next night, at our annual football game with Washington, Mary Beth exchanged the traditional roses with Washington's Football Queen.

Queen Mary Beth smiles in anticipation as she waits for the annual half-time show, when they introduce the courts at the game.

Mary Beth Parsons is surprised and happy as she is crowned the 1964 Football Queen.

Here is the Football Court with their escorts. They are (left to right): Cheryl Love, Sue McKee, Sue Ryan, Denise Haley, Queen Mary Beth Parsons, Barb Johnson, Sue Hall, and Carol Chapman. Their escorts are: Bob Heiermann, Ron Glick, Denny Riddle, Fred Biggs, John Leonhard, Scott Bosell, Tim Nevelle, and Tom Byers.

The 1965 Basketball Court are from (left to right): *SITTING,* Kathy Moskolis, Barb Wroblewski, and Jane Olson. *STANDING* are: Ozden Yalim, Joyce Bowers, Queen Sharon Foulke, Marsie Smiley, and Kathy Sweitzer.

Sharon Foulke with her escort, Scott King, poses for a picture after exchanging the roses.

Our annual basketball game with Adams has always been one of the main highlights of the school year, for it is at this game that the basketball queen is crowned. During the half-time, our Student-Council President, Tim Cook, crowned Sharon Foulke our 1965 Basketball Queen. Next, Sharon escorted by Scott King exchanged the traditional bouquet of roses with Adams Queen. She then reigned over the remaining portion of the game with her court, consisting of seven other senior girls including our foreign exchange student Ozden Yalim, who is an honorary member.

Sharon looks pleased as she walks back to her seat after half-times exciting experience.

Sharon is now exchanging her bouquet of roses with the Adams Queen.

THE 1965 BASKETBALL COURT

The court members, with their escorts, stopped for a picture during one of their rehearsals. They are: (left to right) Ozden Yalim, Barb Wroblewski, Kathy Sweitzer, Marcie Smiley, Jane Olson, Kathy Moskolis, Queen Sharon Foulke, and Joyce Bowers escorted by Jim Hummer, Doug Brown, Tom Lindenman, Ken Sheetz, Bob Kletka, Lyle Wray, Scott King, and Mike Frame respectively.

WRESTLING COURT

Sandy gives a big smile after being announced the Wrestling Queen.

Ellen Ray, Queen Sandy Forsgren, and Kathy Huber were the members of the 1964 Wrestling Court.

The members of the Riley Wrestling Court are elected in a very unique way. A person casts his vote for the Senior girl he wants to be Queen. And the girl who sells the most tickets to the Holiday Wrestling Tourney is then elected queen. The Queen's Court consists of two girls who sell the next highest amounts of tickets.

Ellen, Queen Sandy, and Kathy appear interested as they follow the action in a wrestling match.

THE HOOSIER POET STAFF

As the year begins, every person on the yearbook staff starts out with the worry of whether the book will ever be published or not. Meeting deadlines, writing copy, scheduling pictures, deciding what should go in or should not go in are only minute problems for the staff. They are consistently having the other problems of pleasing the students, the annual assembly, and most of all just plain getting the book advertised and sold. Eventually after all the worries and confusion, the book is finally published and successfully sold, thanks to the working day in and day out of the yearbook staff.

Miss Stroup, Yearbook Advisor, and Mary Beth Parsons, Editor, are deciding which style of type is to be used in the yearbook.

People elected to do the dirty work are as follows: *SITTING* Trudy Medlock, Judy LeKashman, Nancy Parsons, Jay Smith. *STANDING:* Jeannie Allen, Diane Kenady, Judy Allen, Sue Solbeck.

Since their pages aren't due until a later date, the following Editors take a break from their regular work. Left to right are: Kathy Kushto, Co-Underclassmen Editor; Cheryl Love, Advertising Editor; Lynn Corley, Co-Underclassmen Editor; Barb Klebusits, Kathy Moskolis, and Sue McKee, Senior Editors.

Taking time out from their busy schedule to smile at the camera are the following Editors: Ellen Ray, Lay-Out Editor; Mary Bintinger, Editor of Activities; Pam Pearson and Sharon Foulke, Opening Section Editors; Kathy Kozuch, Faculty Editor; Michelle Dunfee, Index; and John Olmstead, Sports Editor.

The following members of the Hi-Times staff take time out from a busy schedule to relax outside. Left to right are: Connie Messerly, Literary Editor; Ellen Hartman, Feature Editor; Joan Jeisel, Managing-Editor; Rosemary Moon, Editor-in-Chief; Jilean Lane, Circulation Manager; and Mike Lerman, Sports Editor. Not shown are: Marcia Haslett, News Editor; Jay Smith, ass't. Sports Editor; Jeff Portman, Advertising Manager; Pat Yost, Business Manager; Steve Wilhelm, and Cheryl Tyler, Exchange Managers; and typists Sue Manwal and Sarah Lindbergh. Mrs. Louise Miller is the Advisor.

THE HI-TIMES STAFF

At the beginning of the school year these words from the Hi-Times staff echoes the friendly corridors. "Support your school paper; subscribe to the Hi-Times."

This year the Hi-Times staff has started something new. A subscription costing a dollar for twelve issues per semester is being offered, which results in more financial savings for students.

If it weren't for the faithful hard working staff members on the Hi-Times staff, the school paper would not be possible.

Working hard to get Friday's paper ready are Mrs. Miller, Joan Jeisel, Ellen Hartman, and Marcia Haslett.

Members of the Glee Club are posed on the Auditorium stage after giving one of their three Christmas performances.

THE QUEENS' COMEDY

JAMES LEWIS CASADY, DIRECTOR

Sandy Lloyd was one of the Water Maidens in the play. The others were Mary Ann Kulik, Diana Zimmerman, Sandy Michailoff and Karla Hamilton.

Thetis, Kathy Smith, and Sleep, Charles Anderson, ponder a while in one of the scenes.

The Queen's Comedy was presented in the Riley auditorium at 8 p.m. on November 24 and 25. The play, a Homeric Fragment, consists of an introduction and two acts which involved a total of five scenes. The drama is based on the Greek-Trojan War and revolves around the goddess Juno and her dealings with her fellow gods and goddesses.

The Queen's Comedy was directed by James Lewis Casaday. Music was provided by Miss Ruby L. Guilliams.

Bill Drinkall as Vulcan seems as though he is explaining something to Juno, Sue Messersmith.

Also in the play were (left to right): Jerry Walker, John Durham, Greg Strom, Jim Powell, and Don Wienstein.

Pat Barber portrayed Minerva in the play.

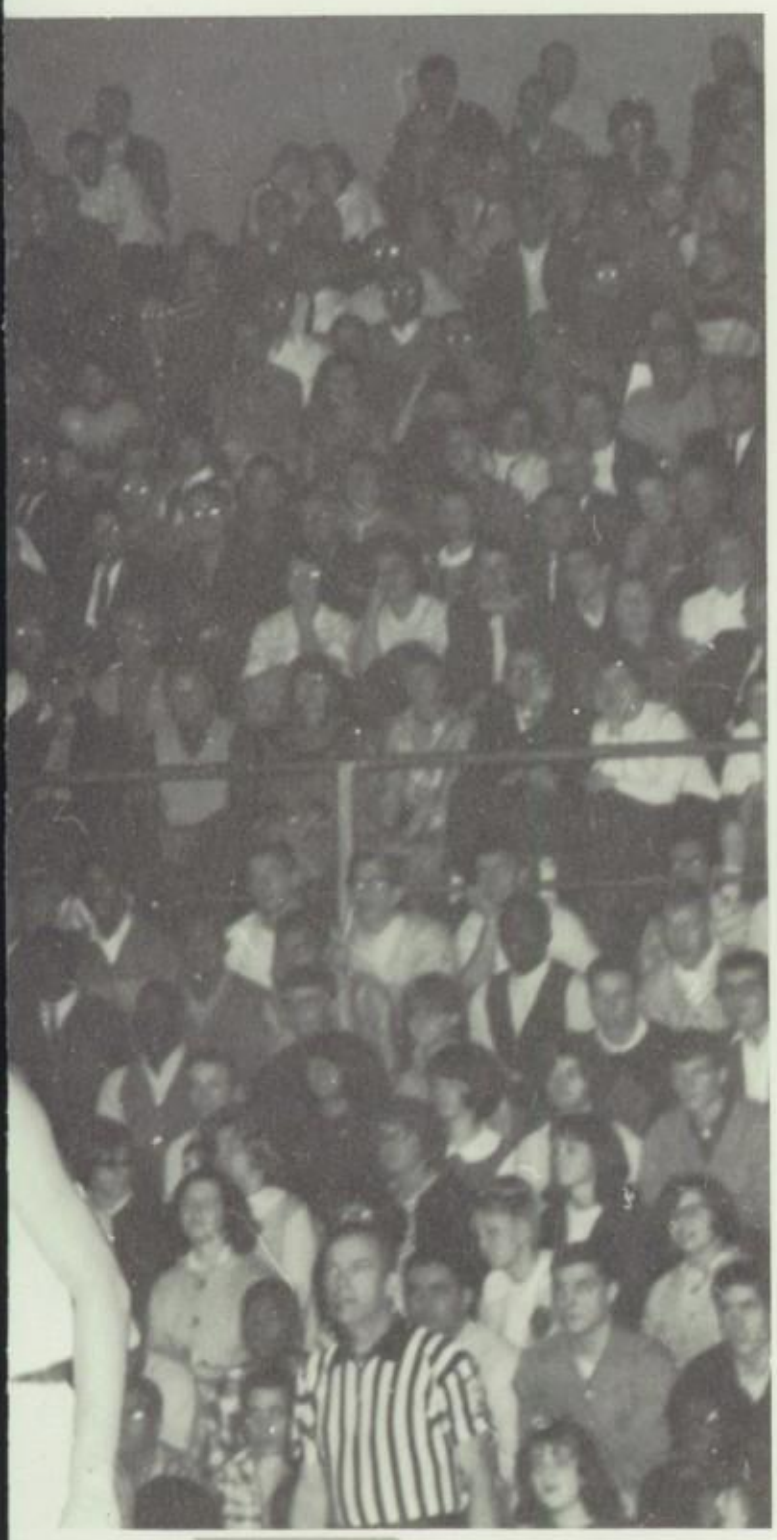
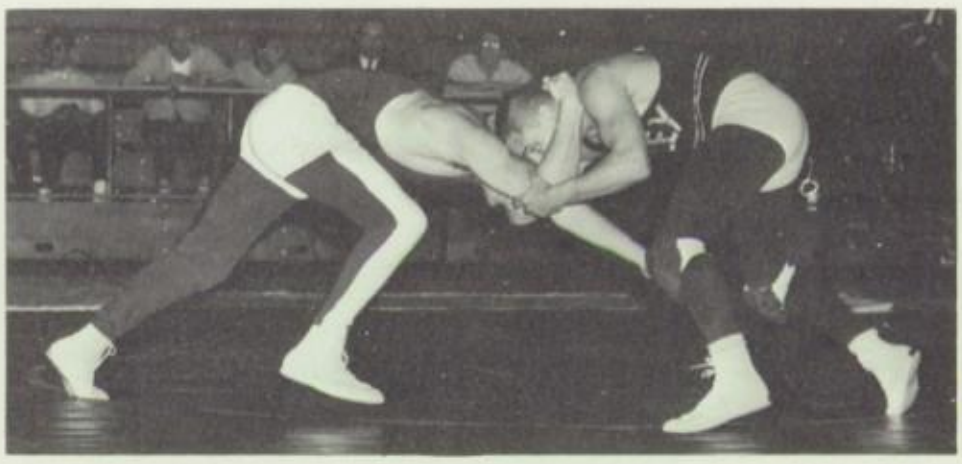
ATHLETICS



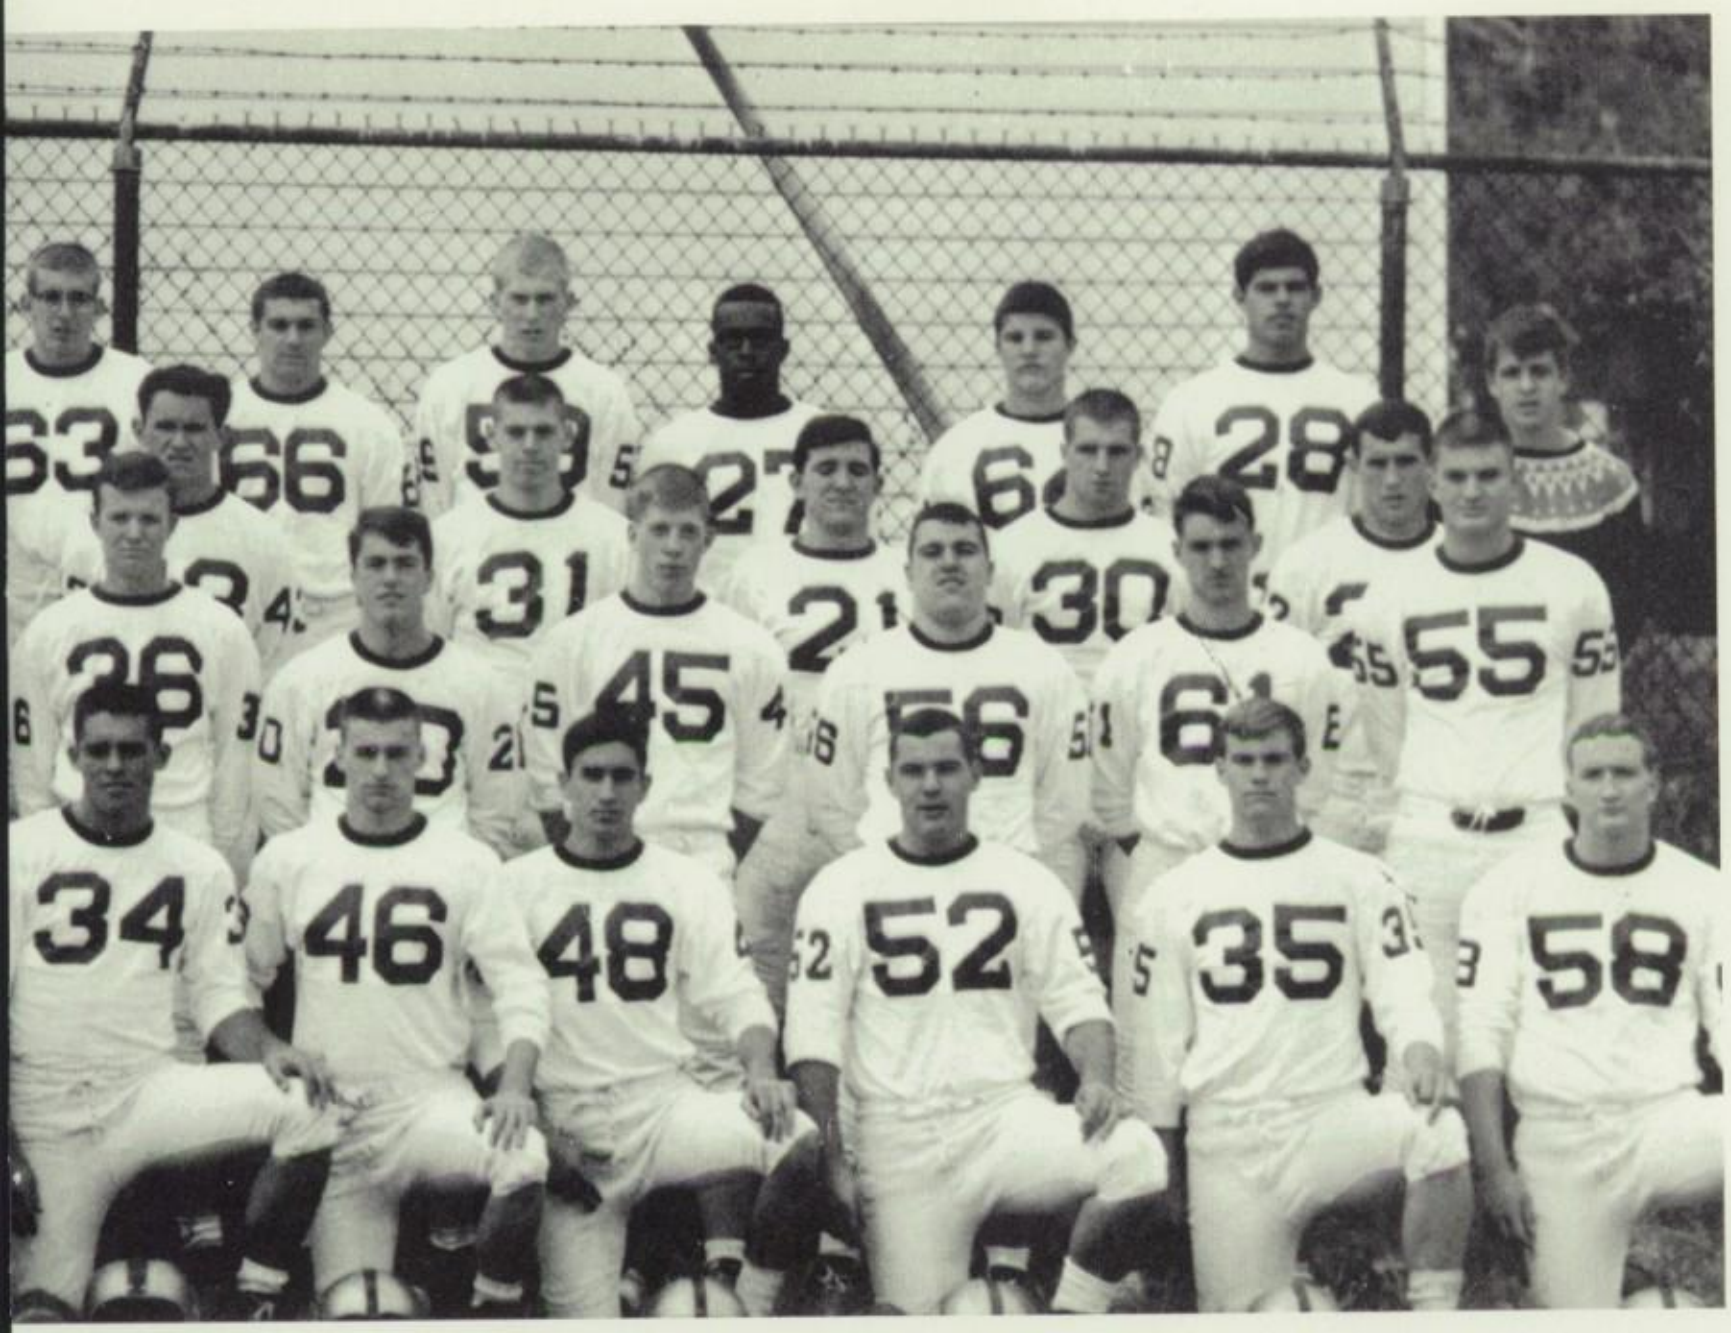


The 1964 Riley Championship Team: Bob Corbett, Van Archer, Mike Baster, Richard Ellis, Barry Aronson; *SECOND ROW:* Gary Gish, Ole Galloway, Jewell Davis, Tom Flowers, Paul Joseph; *THIRD ROW:* Don Bradley, Mike Wegner, Tom Putt, Brian LeWallen, Bob Gordes; *FOURTH ROW:* Mike Christin, Mike Stanik, Dick Brothers, Dick Lynn, Tom Burda.

WE'RE

Coach Whitmer plans his season's strategy.

The bellowing roar of the coaches is heard loud and clear throughout the football season as the players are urged to FIGHT! Giving part of their summer vacation, proved rewarding to them as they went all the way to winning the N.I.H.S.C. Our undefeated season, although not the first, was wonderful news. The team promised to go 10—0 for the season and came close by ending a terrific season with a 9—0—1 record.



FIRST ROW: Mike Frame, Bob Kletka, Scott Bosell, Al Papp, E. G. White, Ken Sheetz, *SECOND ROW:* Larry Averett, Mitch Zultanski, Jim Putt, Jim Vargo, Duane Marschulat, Ray Chrisman; *THIRD ROW:* Frank Bogunia, Tom Joachim, Tim Cook, John Vogel, Mike Scuzs, Bill Vida, Mgr.; *FOURTH ROW:* Tom Lipp, Joe Nagy, Steve Rhodes, Pat Shelton, Mark Kroll, Tony Nemeth.

NUMBER ONE!

Two of the toughest games were the Washington and the Gary Wallace. As a result of these hardhitting games several valuable players were lost. Wray was injured in the Mishawaka game and was out of play for a few games. Nybo, Vargo, and Horvath were injured early in the season and remained nil for the rest of the year.

To complete a proud year, six of the squad were chosen for the All-Conference Team. These were Kletka, Szucs, Bosell, Frame, Papp, and Galloway. Of these Galloway was chosen for both the offensive and defensive teams. The All-Conference team was backed by such outstanding seniors as Wray, Sheetz, Vogel, Joachim, Corbett, Cook, Ellis, Putt.

Summer is cut short for coaches too. Instructing the squad members are from left to right: Coach Joe Wojyts, and Head Coach Jim Whitmer.

Timing is an important factor in cutting down fumbles in the back. Here two Riley backs practice a hand off.

SUMMER

School begins early for members of the football squad. August 15 signifies the beginning of football practice and long hours of work and sweat. For nearly a month the squad along with Riley's superb coaching staff work to mold a winning team. Finally in early September all their work and practice is put to the test. Riley was indeed well prepared as the team began their undefeated trail on September 11.

PENN—The Riley Wildcats opened the 1964 season in splendid array. Displaying an explosive offense and a stout defense the Whitmer men thoroughly trounced the squad from Penn. Ole Galloway wasted no time in scoring his first six points on the seasonal total of ninety-six, which won him the area scoring championship. On the opening kick off, Galloway dodging and plowing over the opposition raced eighty-five yards thus giving Riley its first points with season only twelve seconds old. The offense continued the scoring and the defense held and Riley came off the field with its first win. Riley 40, Penn 0.

The Riley Wildcats take the field and begin their 1964 campaign.

Offense: Ole Galloway runs the option with teammate Mike Szucs throwing a block.

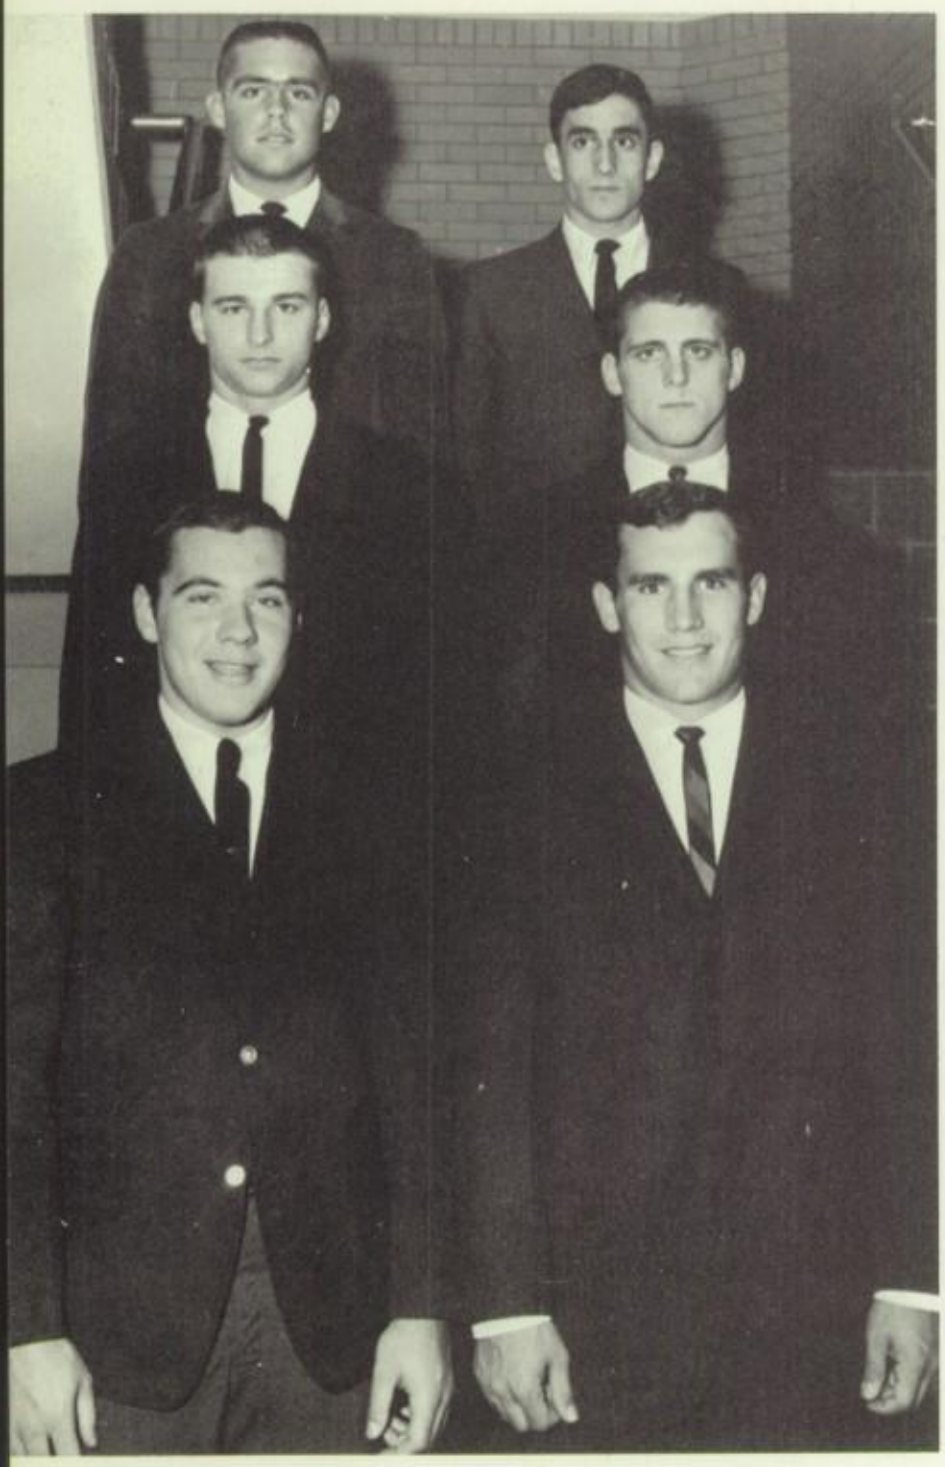
CUT SHORT BY AUGUST PRACTICE . . .

GOSHEN—a flag filled game in which Riley was penalized 127 yards, the Wildcats captured their second victory. One of the outstanding plays in which quarter back Mike Szucs ran for an eighty-yard touchdown was called back because of an infraction of the rules. Szucs, however, did connect with end Bob Kletka for an eighteen yard touchdown pass and six points. Riley's defense again was especially strong as Goshen was unable to score until the fourth period against the Riley reserves. Riley 27 Goshen 14.

MISHAWAKA—Riley's third game proved to be no more difficult than the first two. Riley's senior end Scott Bosell started things off by intercepting a Mishawaka pass and scampering forty-five yards for a Wildcat touchdown. The defense not only kept Mishawaka from scoring until the final second of the game, but it also set up three touchdowns. John Berta blocked a punt, which set up one touchdown, Jim Vargo scooped up a fumble and carried into the end zone for another, and Bob Kletka intercepted a Caveman pass which set up still another. Riley 40 Mishawaka 6.

WASHINGTON—In a fiercely fought game, the Washington Panthers came back in the final quarter to tie our Wildcats. Riley started the game out right by scoring three times in the first half, twice on long gains. One a ninety-one yard punt return by Galloway and the other a seventy-one pass from Szucs to Bosell. The second half, however, was a different story as Washington came back to score three times. This was Riley's most disappointing game of the season. Riley 26 Washington 26.

Defense: Mitch Zultanski and Scott Bosell bring down opposing halfback after a short gain.



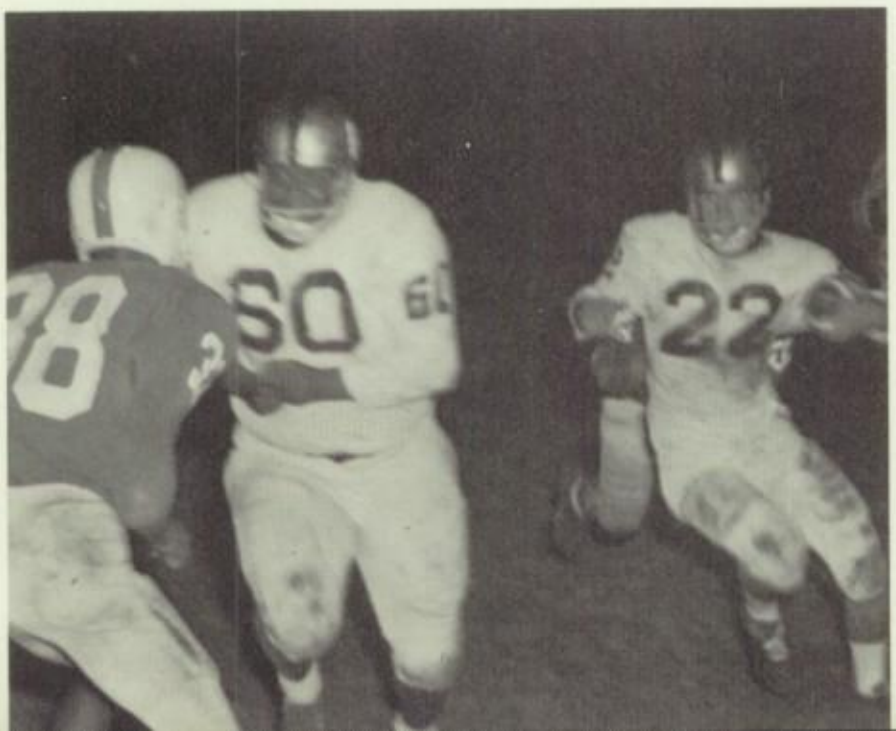
Riley is well represented on the All Conference team. *ROW ONE:* Al Papp and Mike Szucs; *ROW TWO:* Bob Kletka and Ole Galloway; *ROW THREE:* Mike Frame and Scott Bosell.

Half time allows linemen E. G. White and Al Papp to rest before going back out to play a rugged second half.

FORT WAYNE NORTH—In a rugged defensive game the Wildcats again came out on top. The game was played in extremely cold and rainy weather, thus hampering the offensive teams. Both teams were held scoreless in the first half, but Riley was able to push across two scores to win the game and maintain first place in the Conference. Riley 13 North 0.

MICHIGAN CITY—Michigan City proved to be no problem for the Wildcats rolled over their opponents once again. The offense again was well balanced with Szucs passing and the fancy running attack. The offense was led by the three touchdowns of Ole Galloway and Mike Szucs' touchdown an extra point. The defensive line held City and constantly harassed the passer and succeeded in keeping the City offense line the whole night. Riley 25 City 6.

BUT PRACTICE MAKES PERFECT



CENTRAL—The 35—0 romp over Central was the biggest margin of victory ever recorded by Riley over the powerful Bears. The game was as one sided as the score indicates from the beginning. On the second play of the game Ole Galloway broke loose around left end for 53 yards and a score. Galloway scored twice more that night including a dazzeling sixty-five punt return behind fine blocking. Terrible Tom Flowers scored twice on short line smashes. Mike Szucs added five extra points to round out the scoring. Once again the Defense was superb. Riley 35 Central 0.

Quarterback, Mike Szucs, runs around end with fullback Tom Flowers giving him a block.

WALLACE PROVES TO BE

ADAMS—With victory number six in their pocket, Riley took the field to conquer the Adams Eagles. Riley was slow starting and at half had only edged out a 13—7 lead. The second half, the offense began to click with scores coming from fullback Tom Flowers and half back Paul Joseph on three yard plunges. Riley again went home with a victory. Riley 26 Adams 13.

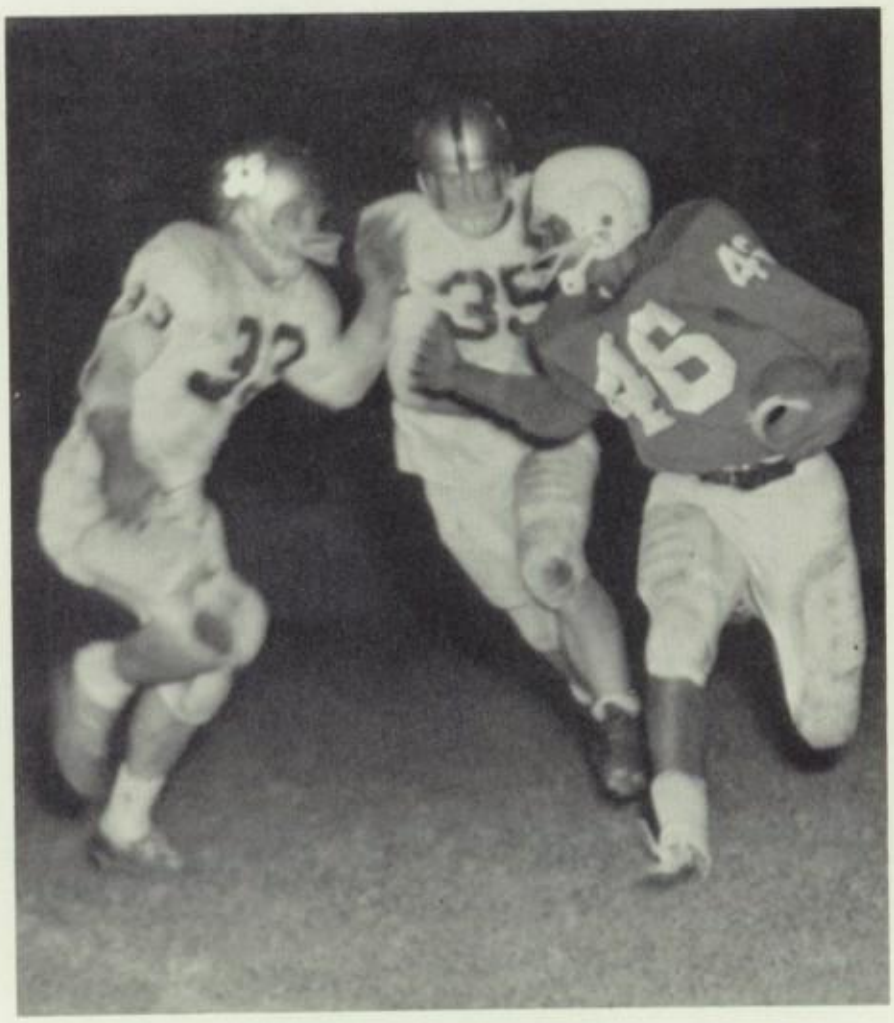
Tom Flowers hurts ankle near end of the game.

LAPORTE—Supposed to be a tough test in our game which would give Riley the Conference Championship, LaPorte proved to be no tougher than anyone else as they fell to the mighty Wildcats. The 'cats took the opening kickoff and marched seventy yards for the first score with Galloway going over from the five. The rest of the game was all Riley defense and Mike Szucs signal calling which kept the LaPorte defense shaky all night. With this victory the Wildcats took home the Conference Championship. Riley 25 LaPorte 0.

Ole Galloway and E. G. White are about to bring down opponent with a bruising tackle.

Bob Kletka and rest of the team get a warm reception at the Wallace game.

TOUGH GRID FOE



Championship trophy that now rests in Riley's trophy case was brought to Riley by the 1964 football team.

GARY WALLACE—Riley tied for the ENIHSC, once more was elected in a draw, to represent our conference in the play off game. Riley fans packed Gilroy Field in Gary to watch the most exciting game of the season.

Riley in the first period experienced a situation they hadn't been in the entire season. They fell behind! Down 14—0 Riley's quarterback Mike Szucs settled his team and proceeded to fight back. Passing with great accuracy Szucs marched up and down the field and in a little more than a quarter Riley scored three times to take a 19—14 lead. Wallace, however, was able to score again and took a 20—19 lead at the half.

In the second half Riley looked like a different team. The defense stiffened and the offense was able to score a touchdown. Riley won the game to end up with an undefeated season and the NIHSC Championship. Riley 26 Wallace 20.

On top of an undefeated season and the NIHSC, Riley was able to keep its rating among the top ten throughout the whole season, and the 'Cats ended up Fifth in the State.

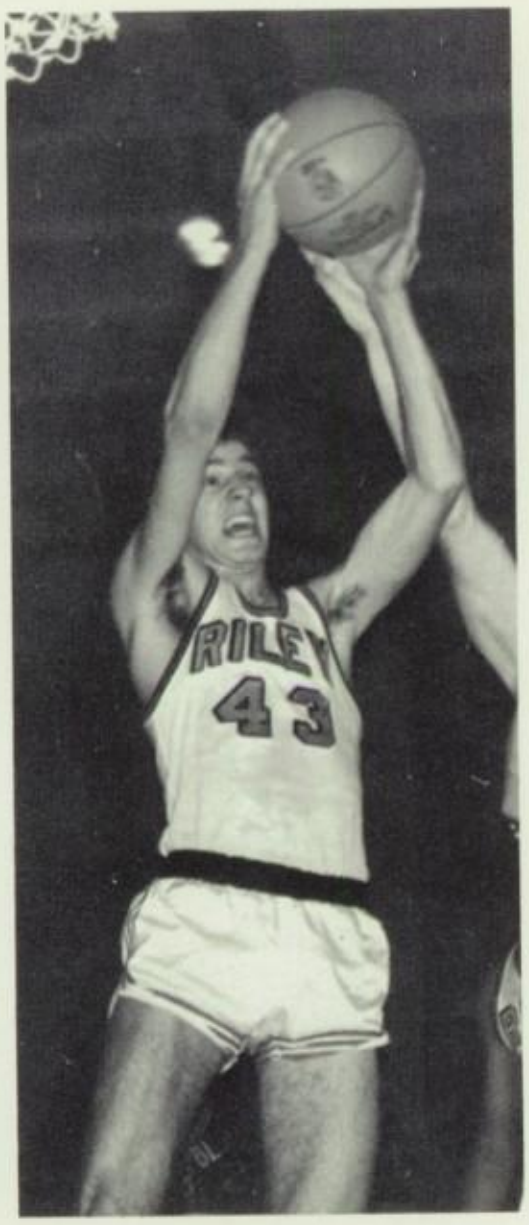
THE FEAST HAS BEGUN—65 TO ETERNITY

1953—that was the year, the last year Riley had had a winning season, before new Coach Bruce Smith took over. Under the leadership of first year Coach Smith and having their own gym to play on, the Riley roundballers roared to a 12—6 record. How much affect the new gym had on the season can never really be proven, nevertheless ten opponents did come into the "Wildcats Den" and eight went away licking their wounds in defeat.

Led by city and conference scoring champ, John Nelson, the Smithmen proved to be one of the power teams, though it was not a one man gang. Senior starters, Tim Nevelle, Tony Shelton, and Tom Byers all came through with many sparkling performances that helped turn the tide towards a Riley victory. The fifth starter, junior Bob Churchwell, was possibly the most improved player on the team; he looked very good at times, especially on defense. Sophomore, Joe Whiten, who sometimes looked sensational filled in very capably as the sixth man.

One of the highlights of the season was defeating teams that had made it a habit of beating Riley—Elkhart, Goshen, and LaPorte. Other wins were recorded over Rensselaer Penn, Logansport, and Mishawaka. The five games that the team lost during the regular season were against five of the states best—Gary Frobel, Washington, Fort Wayne North, Central, and Michigan City, which indicated the real quality of the team. Possibly the biggest disappointment of the season was the poor showing in the sectional, losing to St. Joe whom we had beaten before.

With Coach Smith's excellent ability and his fine supply of talent from the returning lettermen, B Team, and the outstanding frosh it looks as if next season should again be a victorious one for the Wildcats. The outlook for the more distant future looks as though a winning tradition has started for Riley.



"Sweet"

John Nelson (43) 6'3" 178 3 years

At the end of the regular season the leading scorer in both the city and conference was none other than "Sweet", John, with averages of 20.9 and 20.6 respectively. He also set the gym scoring record of 30 against Penn. John didn't limit himself just to scoring, though, as he led the team in rebounding for the second straight year with 214.

John finished up his three year varsity career with an unofficial Riley scoring record of 822 points and also pulled down a total of 573 rebounds. He will be remembered as one of the finest players ever to wear a Riley uniform.

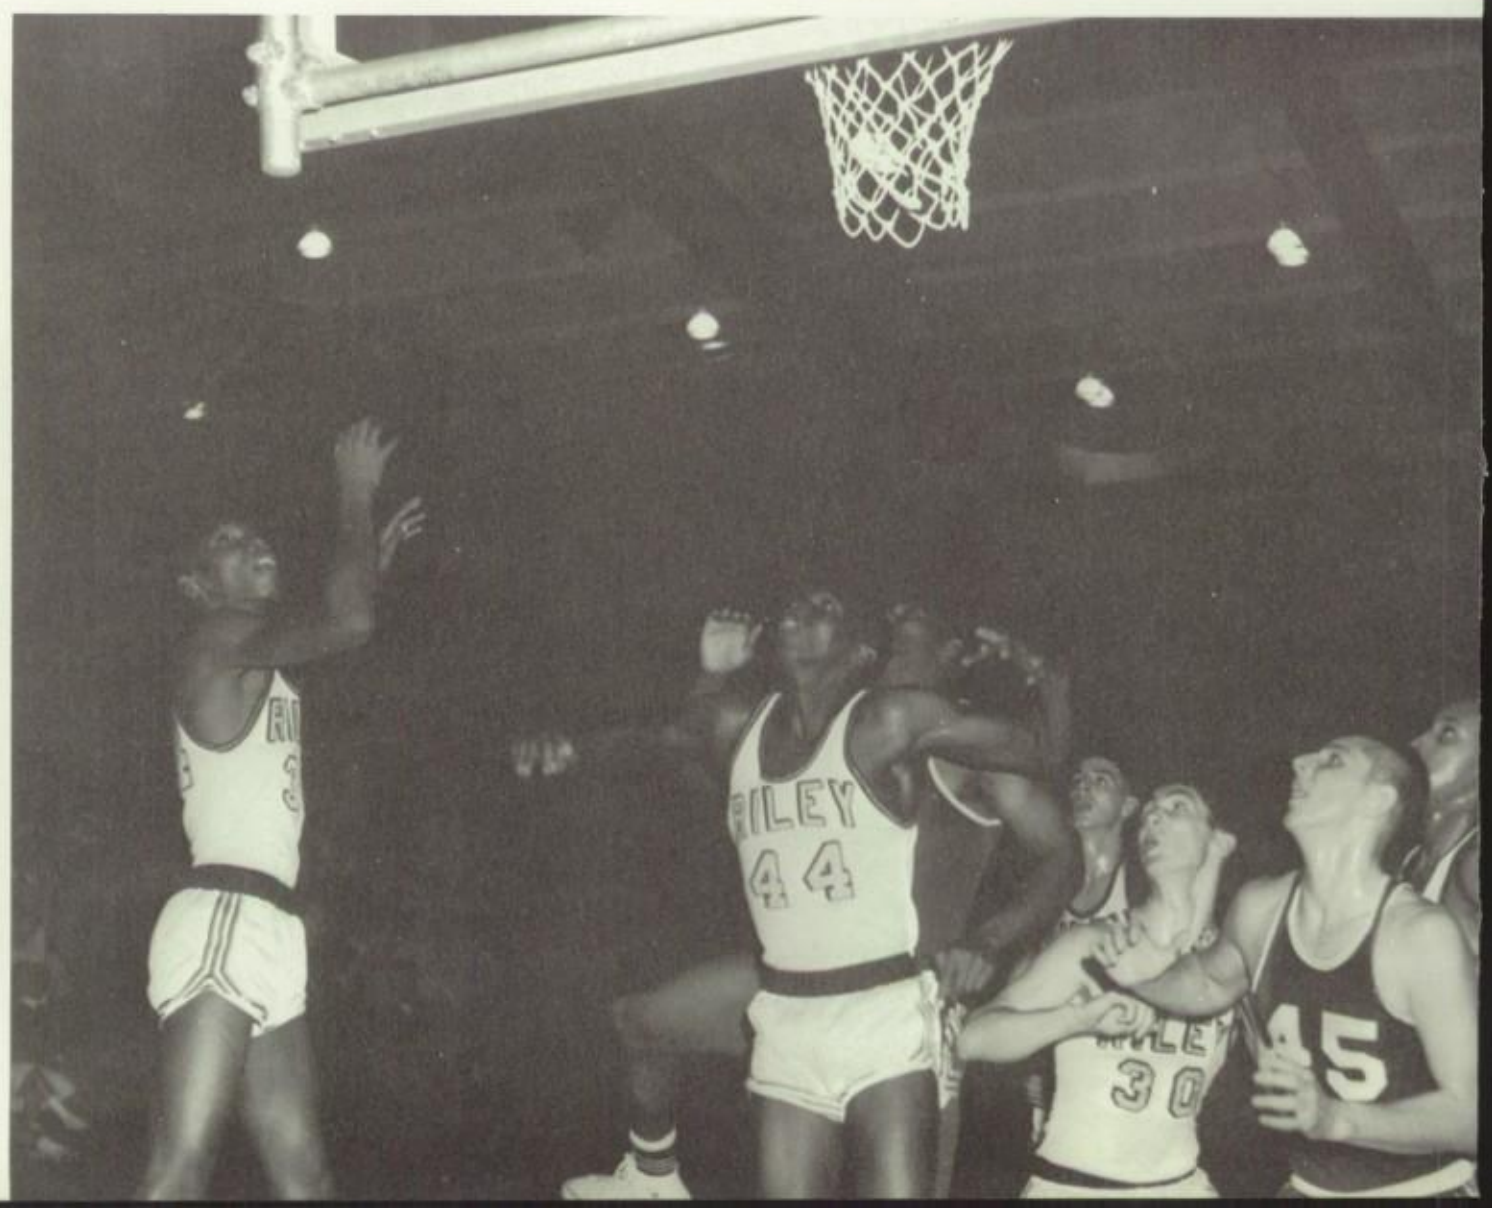
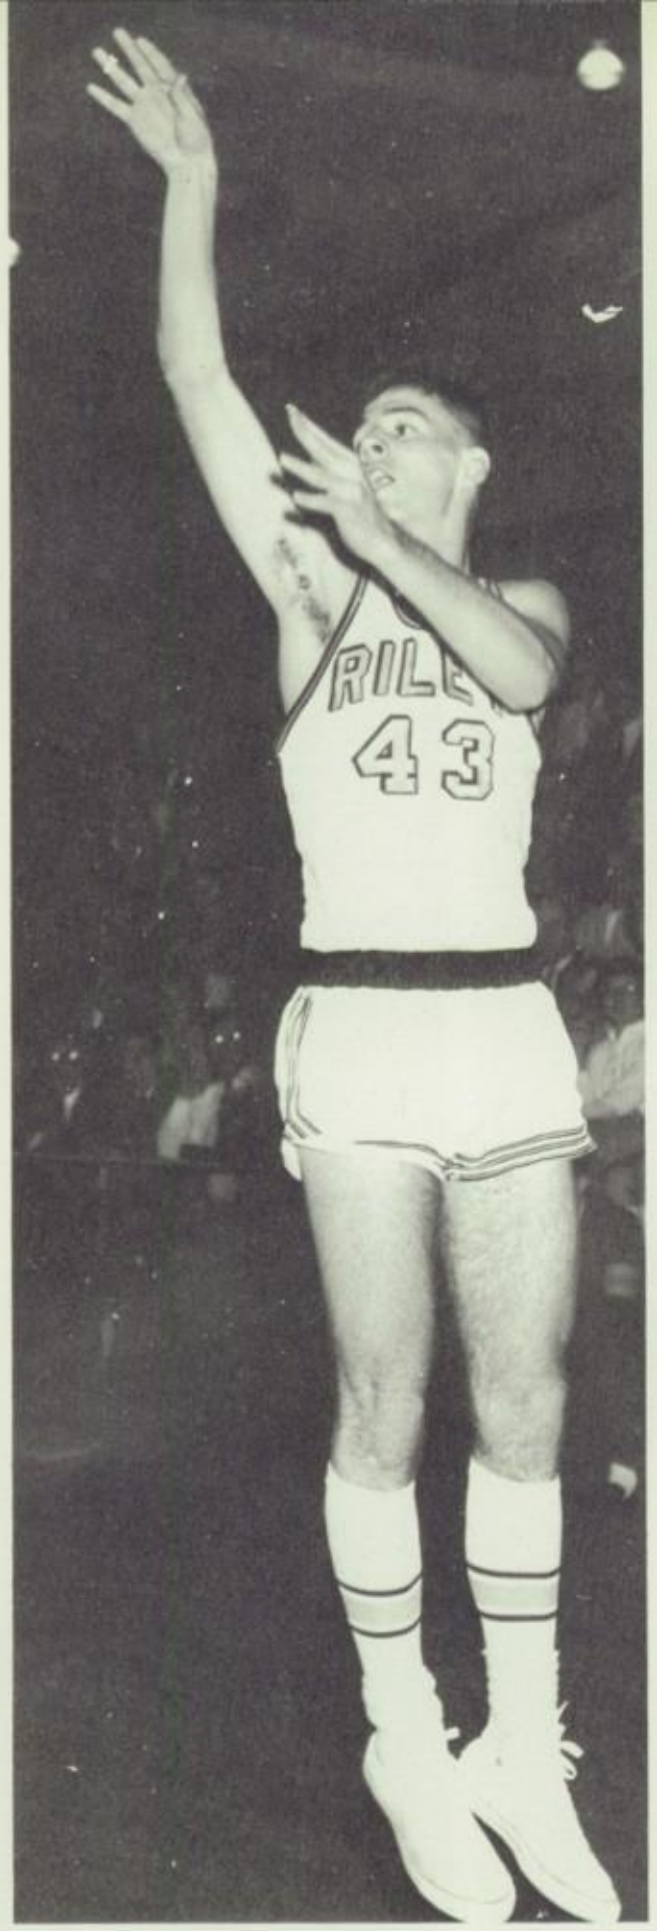
"B"

Tom Byers (50) 6′ 2″ 172 3 years

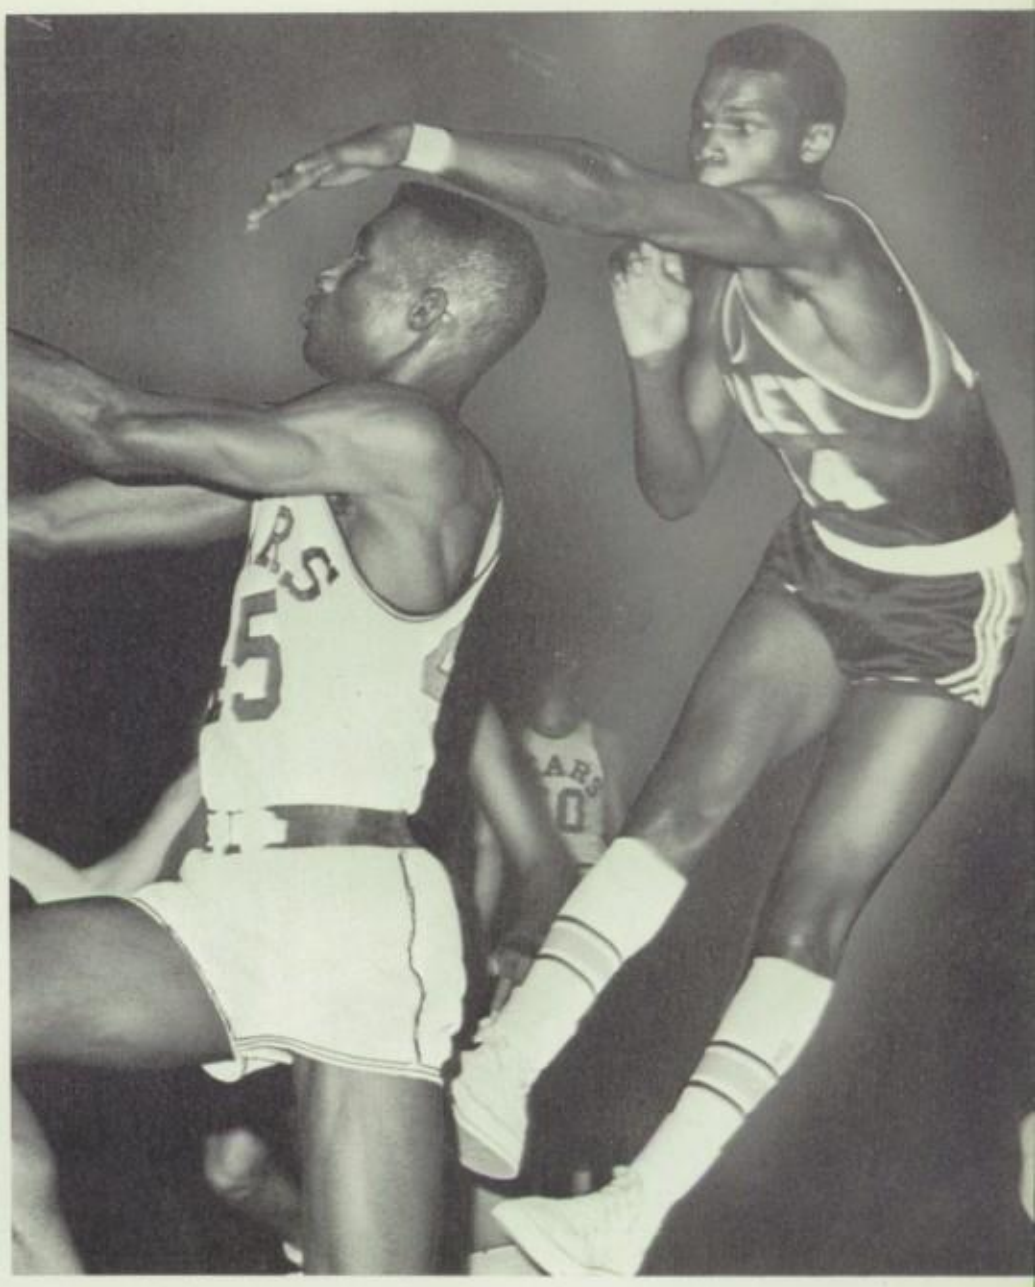
Tom finally came into his own this season as he not only proved to be one of Coach Smith's most conservative players but also his most versatile. In many a game he displayed this talent by playing every position on the floor. Operating from his normal guard position Tom led the team in shooting with a 45.3% mark from the field. He scored 162 points in his final season, pulled down 112 rebounds, and placed second in assists with 26. "B" finished out hit career with lifetime total of 310 points and 282 rebounds.

Joe Whiten, Tony Shelton, Tim Nevelle, Bob Churchwell, and John Nelson demonstrate a key factor to victory—team rebounding against Washington.





Swish!



Shelton fouls Central's Davis.

Tim Nevelle (30) 6′ 2″ 187 2 years

Given the job of floor general and "feeler" by Coach Smith, Muggsy responded brilliantly. He directed the Riley attack calling signals, setting the offense, and led the team in the assists with 50. Tim didn't limit his scoring, though, as he combined deadly outside shooting and driving layups to collect 229 points. From his key position in Riley's tough zone defense, Tim pulled down many rebounds and finished with 129 for the season. In his almost one year career for Riley's varsity, he collected 249 points and 147 rebounds for his varsity totals. He is the last of a long line of outstanding Riley athletes.

Final Record 12—6

Tony Shelton (44) 5′ 11″ 155 2 years

The producer of 227 points with unorthodox shots and scrappy play "Big T" was one of Riley's more exciting players. Rather small for a forward, he made up for his lack of size with jumping ability and fighting spirit; and pulled down 137 rebounds against his taller foes. His firey play helped to spark many a Wildcat rally and to lead to numerous clutch baskets. In his two year varsity career he collected a total of 370 points and 252 rebounds. The "Big T" will be remembered for firey spirit and all out hustle.

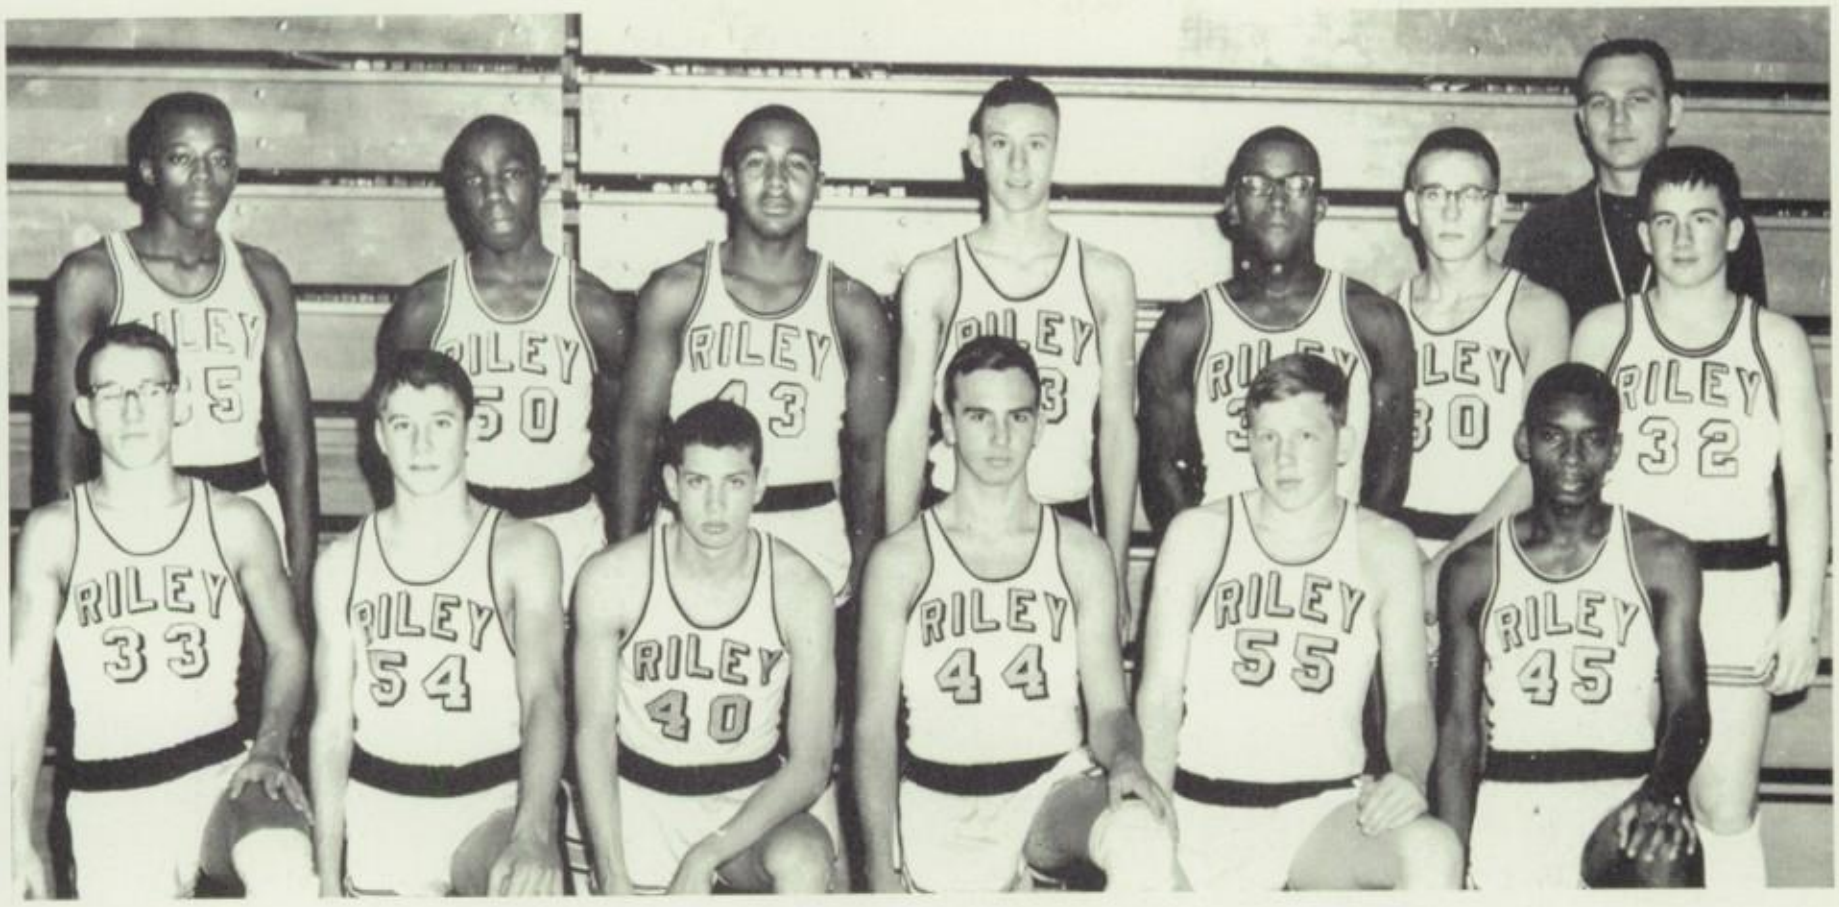
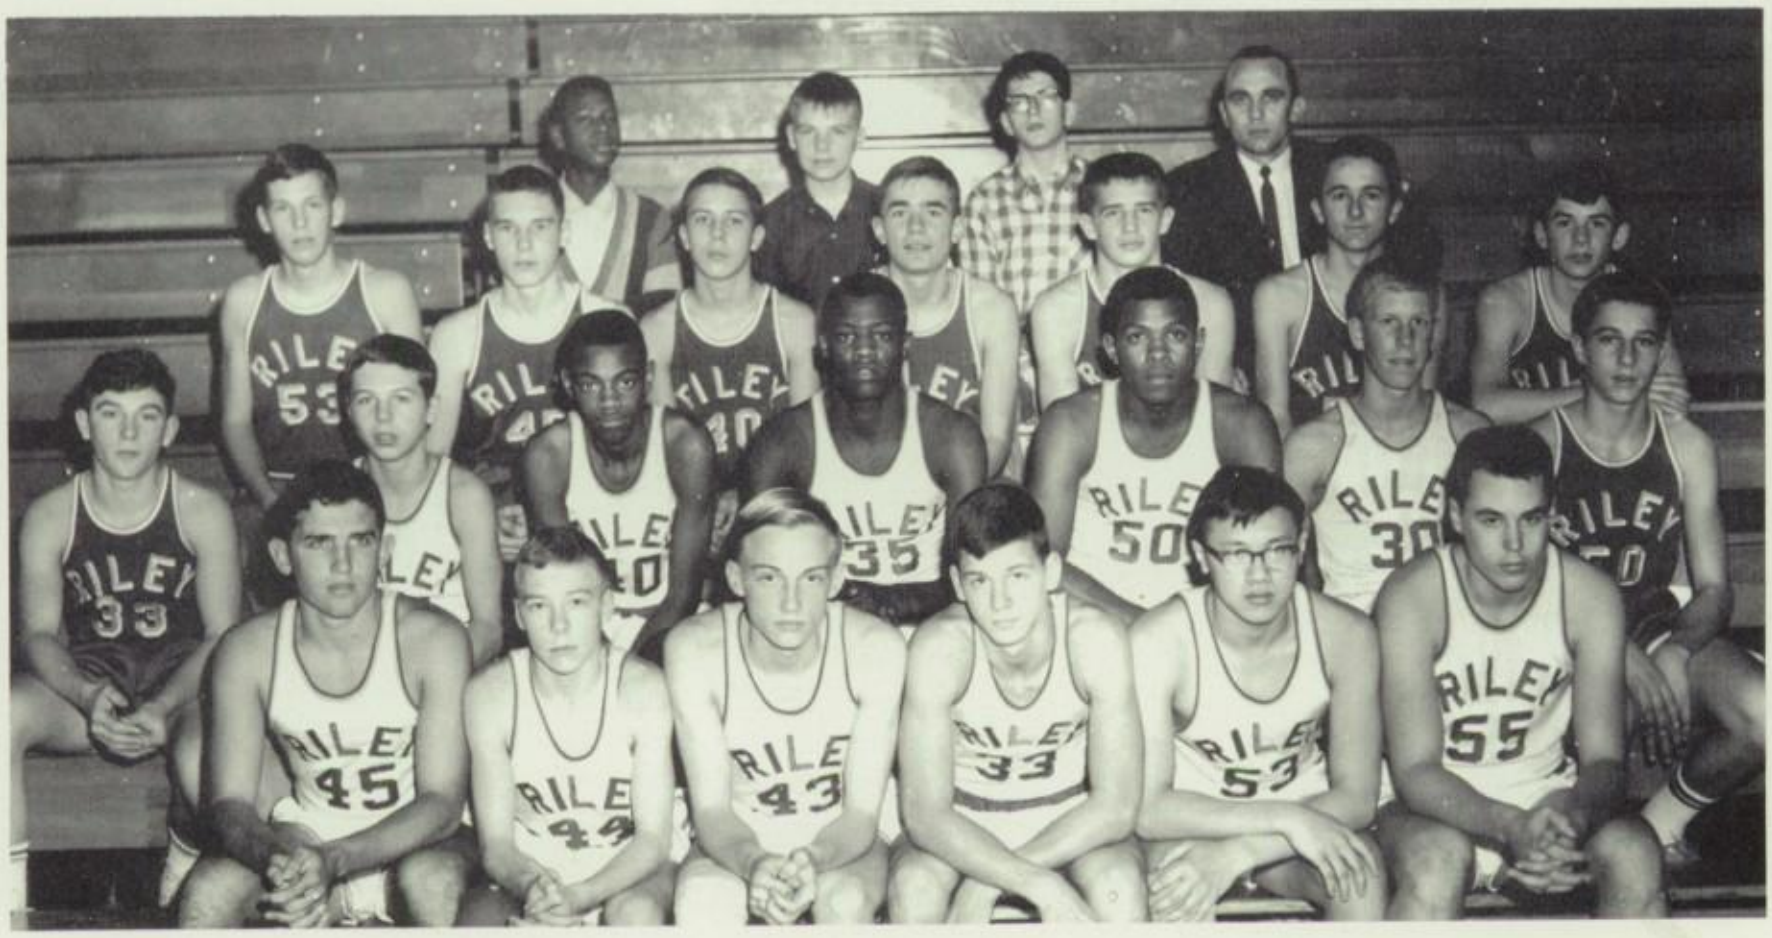
B-TEAM—PROSPECTS FOR VARSITY



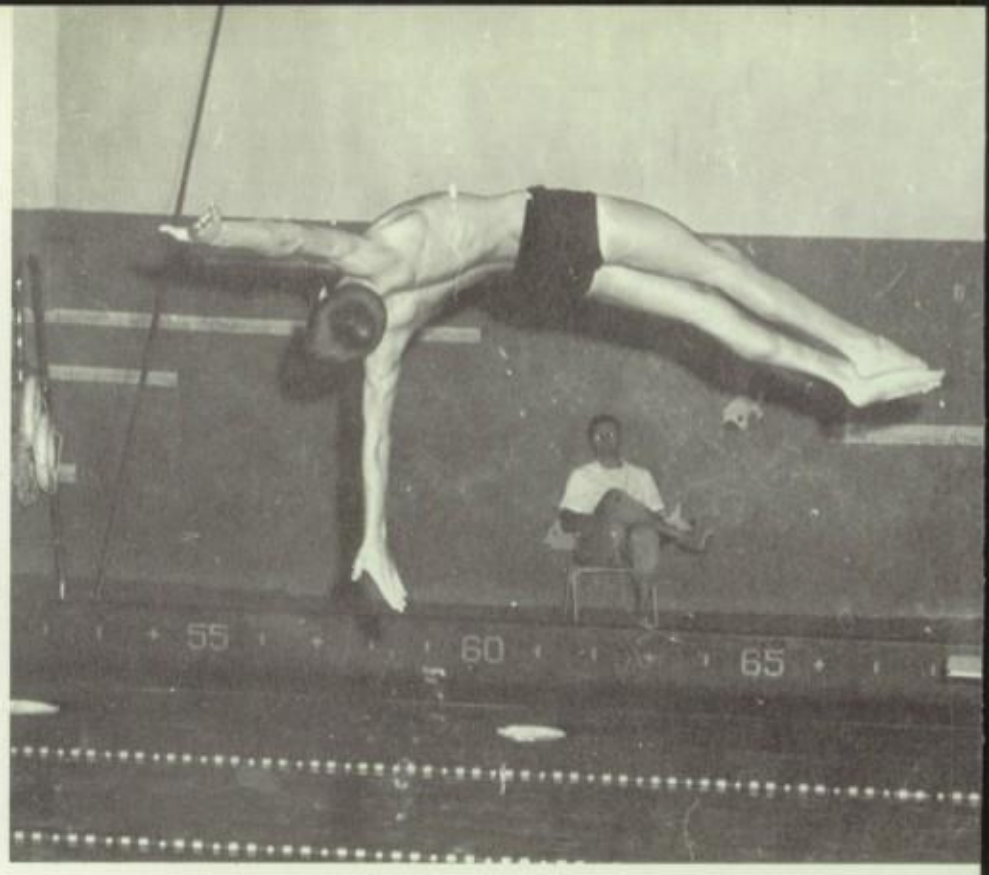
Although the B-Team record indicates a degree of fluctuation, it is quite apparent that with a little more experience the prospective varsity members will spark the Riley team to victory next year. From left to right the B-Team players are: *1st ROW:* Don Kryder, Bill Allen, Craig Darch, Tom Moon, Tom Putt, Bobby Whiten. *2nd ROW:* Gene Kyle, Austin Davis, Henry Bush, Steve Lieberman, Pat Shelton, Jim Madden, Norm Roelke, Coach Jim Krider.

FROSH FINISH SEASON WITH 19—1 RECORD



The talented Freshman Basketball Team who won both the Conference Crown and the City Tourney are from left to right: *1st ROW:* Lonnie Hawkins, Terry Army, Mark Allen, Terry Frick, Mark Wing, Craig Martin. *2nd ROW:* George Psarakis, Bill Takach, Sloston Jackson, Henry Thomas, Maurice Woods, Kevin Powers, Tom Uselac. *3rd ROW:* Bill Gates, Dave Johnson, Randy Stahl, Dennis Parrish, Jim Frame, Dennis Lockwood, Richard Coffey. *4th ROW:* Richard Williams, Dennis Say, Wilbert Curry, and Coach Don Coddens.

SWIMMERS HAVE UP

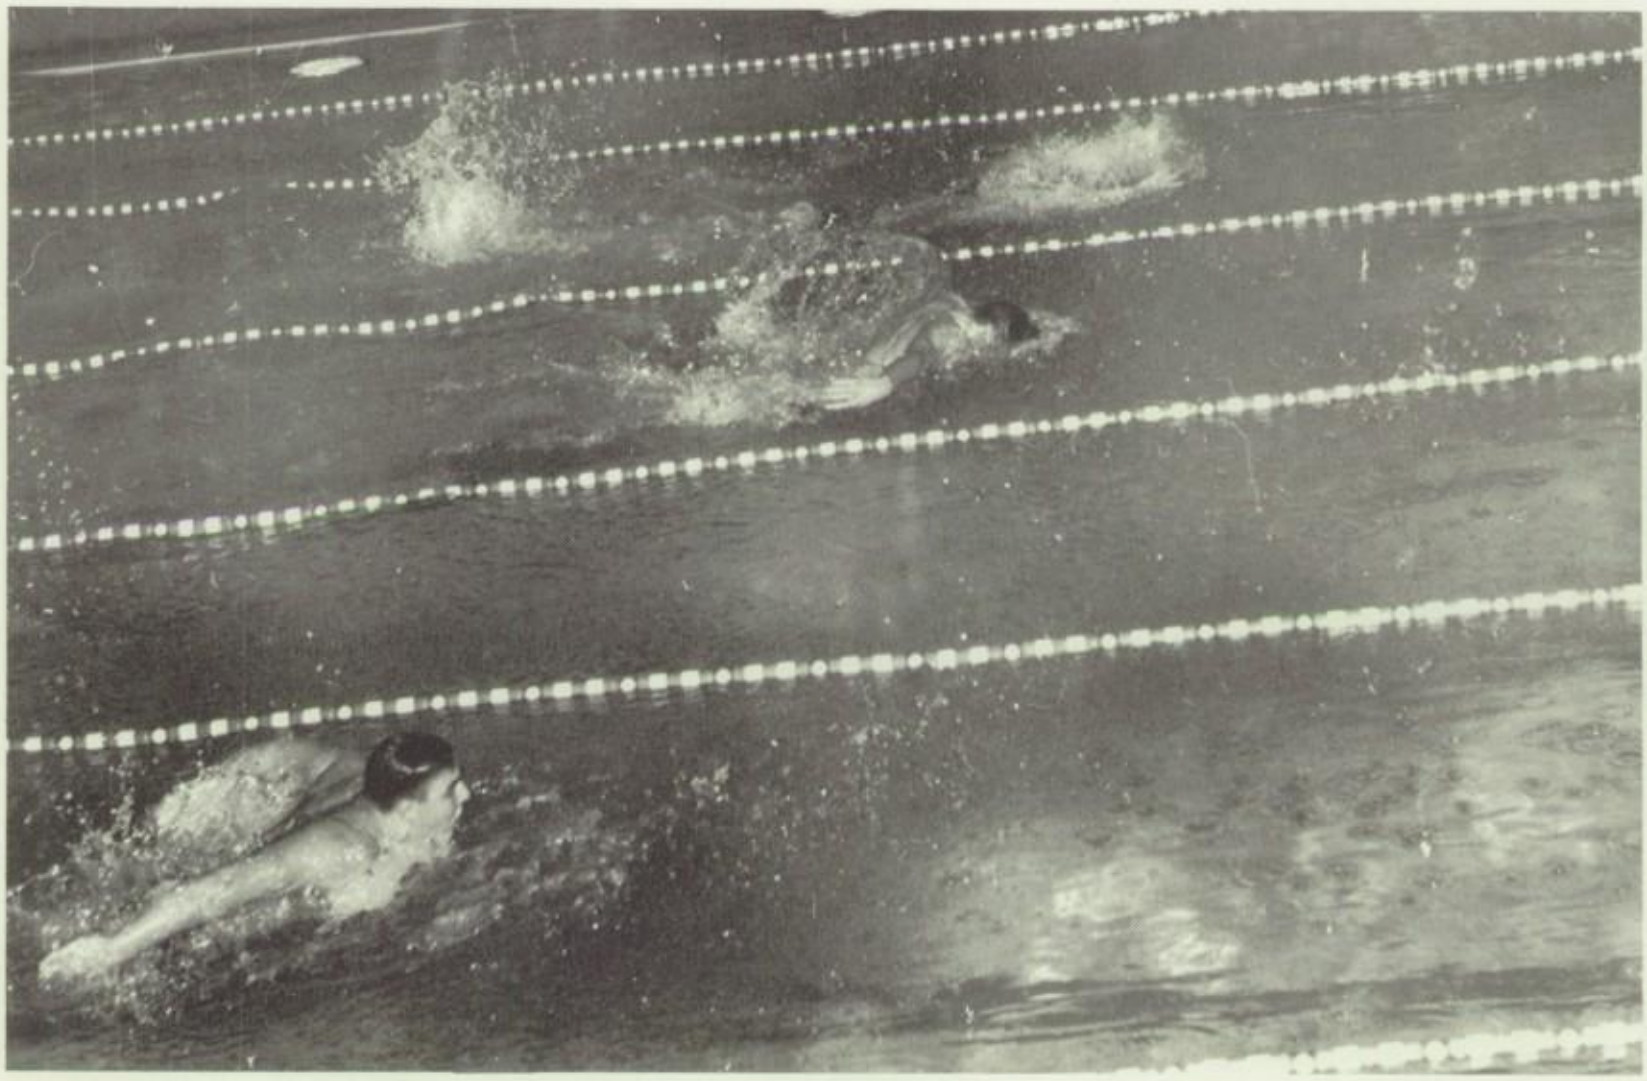


Up.

Riley's swimmers began the 1965 season on a rather dismal note. Starting with the fifth meet against the Michigan City Red Devils, however, the Wildcats, under coach Terry Beyers, began to steadily improve and bounced back strong to win six out of the last seven meets and to finish with an impression 6—5 record. The swimmers finished in second place in both the conference and the city meet. With a little bit of luck Riley could have captured a couple more victories as they lost to Central and Valparaiso by a total of .5 of a second. Central nipped the Wildcats by a mere .1 of a second.

The swimming sparkplugs for the team all year were the Co-captains of the teams seniors Bob Griffin and Steve Wilhelm. Juniors Mike Wheeler and E. G. White led the team in the state swim meet as White placed third in the 100 yard freestyle and fifth place in the butterfly. Other swimmers who performed well during the season were seniors Scott Peacock, Joe Saylor, Larry Gates, underclassmen Bob Price, Jim Olson, Charles Huber and Chris Clause.

Coach Beyers was very satisfied with the comeback of his swimmers this season and he feels sure that next years team will be one of the finest in Riley's history. He has an abundance of experienced swimmers returning which will make up the nucleus of what is expected to be a superb team.



The Riley Swimmers look well on their way to another victory.

The swimming team members are: *1st ROW:* Scot Peacock, Chris Claus, Charlie Huber, Doug Jessup, Rick Saylor, Mike Wheeler, Bob Griffin, Jim McKelvy. *2nd ROW:* Jim Olsen, Dave Callentine, Steve Wilhelm, Craig Hitchcock, Pete Shilder, Stewart Rose, Bob Nunemaker. *3rd ROW:* Coach Terry Beyer, Dave Bauschke, J. STATE

Senior team captain, Skip Helm displays his winning form.

Riley's two alternates, Art Klinger and Jim Gorman.

During the 1964 season, the Riley divot diggers forgot about digging divots and concentrated on winning the state title. Considered a cinch for the title from the beginning of the season, they breezed through the season with no real competition. Shooting record scores was a habit for the entire season. For example, the 291 shot against Goshen at the Erskine Golf Course was the best ever recorded by a high school team on this course.

The team was very well balanced as verified by the fact that each of the first four golfers was medalist at least once during the year. Senior Skip Helm again proved to be one of the most consistent players in the state. Fred Biggs, Mike Lampsa, and Mark Toth made up the rest of the state champion team with Jim Gorman and Art Klinger serving as capable alternates. With only one member of the team graduating, the outlook for next year is very bright.

John Calloway, our 95 lb. State runnerup.

Coach Wally Gartee will leave Riley with a gratifying winning season in his last year.

With many fine performers the Riley grapplers were again one of the areas finest teams. The most consistent boys for Coach Gartee were state runnerup Johnny Calloway and Ole Galloway, who won his second straight state championship in the 154 pound class. Many others who were very tough for Gartee were the Moskolis brothers, Jim and Sam, Morton Henry, Lyle Wray, Ken Sheetz, and Mike Lerman.

Next year's team has a good nucleus of retaining experienced wrestlers by which a very strong team can be built around. The most promising boys who almost assure Riley of a winning year again are of course state champ, Ole Galloway, Morton Henry, Mike Christin, and Floyd Jackson.

Terry Andert fires one home.

Once again the Simpson nine started off the season like an unbeatable team, winning their first four games. Unfortunately this didn't continue throughout the whole season, as the hitters had to struggle their way to a 9—7 overall record and a 5—3 conference record. A tie for the Conference crown was so near to the Wildcats that a tie game with LaPorte had to be played off, only to lose the game and the crown.

There were many high and low points during the season for the Wildcats. Among the highlights were the wins over Central 6—0, Elkhart 5—2, and the blasting of Mishawaka 12—1. Leading the attack was sophomore Ole Galloway. He was followed by senior Tom Helfrich, senior Vic Pellico, and junior Tim Nevelle. Terry Andert and Jim Lilley led the pitchers.

Low points were the loss to Adams in the City Tourney, the double header loss to Penn, and the loss of the conference championship. The biggest handicap and disappointment for the Wildcats, however, was its lack of a home field to play on, due to Riley's growth.

TRACK TEAM

Captain Bob Kletka, is an outstanding dashman.

First step in Coach Don Coddens rebuilding program was completed last season with moderate success. Improvement was seen in not only the record but also in the team spirit. The outlook for the future years is brightened by the fact that the freshmen won their city title.

Seniors who ran their last season for Riley were Bill Wells, Rich Ulrich, Mike Lester, and Johnnie Johnson. Juniors formed a large amount of the squad and performed well; Bob Kletka in the 220, Mike Frame in the high jump, Terry Lein in the mile run, and Jack Mechling and Chuck Voreis in the mile relay. Sophomores who performed well were Jewell Davis and Bob Gordes, who set the school pole vault record four different times. Craig Darch and Pat Shelton were two freshmen who saw action on the varsity.

Considering the number of capable underclassmen, the future of the Riley track team looks much brighter.

OVERALL RECORD 11 wins 6 loses

Coach Allen Davidson's cross country men, finished their 1964 campaign with an impressive 11—6 record. The Harriers, led by senior Terry Lein, who took first place in sectional, and with able support coming from such boys as Bob Heiremann, Morton Henry, and Jeff Turnock were able to perform very effectively throughout the season.

The members of the Riley Tennis Team are: (from left to right) Richard Anderson, Bruce Walters, Gari Lynn, Bob Foster, and Bill Wells.

TENNIS TEAM IMPROVES 300 PER CENT

After several years of frustration, Riley's tennis fortunes are on the upswing again. The Cats, led by the Most Valuable Player, Bob Foster, and Captain Gari Lynn, finished with a 3—7 record in the tough Eastern Conference. This was a vast improvement over last year, considering the Cats had no returning letterman from a team that posted an 0—9 mark. Highlights of the season were impressive victories over Central and Penn. Bruce Walters got the Wildcats off to a good start in the Penn meet by edging his opponent in a spectacular match which took 2½ hours. The match ended with a 6—3, 22—20 victory for Riley. This impressive 7—0 victory ended a thirteen game losing streak. Thus, having broken the spell, the racketman went on to capture two more victories, of which one was the 6—1 decision of the Central Bears. With only one player graduating, senior Gari Lynn, the next season for the racketmen seems to promise even greater improvement.

HIGH SCHOOL EXPERIENCES

"You say you spell that Rzwezvloplty . . ."

As registration day rolls around, the Student Council gets ready for the incoming Freshmen. The members start the school year off by setting up tables and chairs to await the enthusiastic Frosh. The Freshmen then report to these tables seeking their assigned homerooms. This first day is usually filled with excitement and chaos. However, after the Freshmen are in their places, everyone sits back and awaits the struggles of the oncoming year.

These five girls represent the Freshmen social chairmen who are continually working hard to make their first dance at Riley a big success.

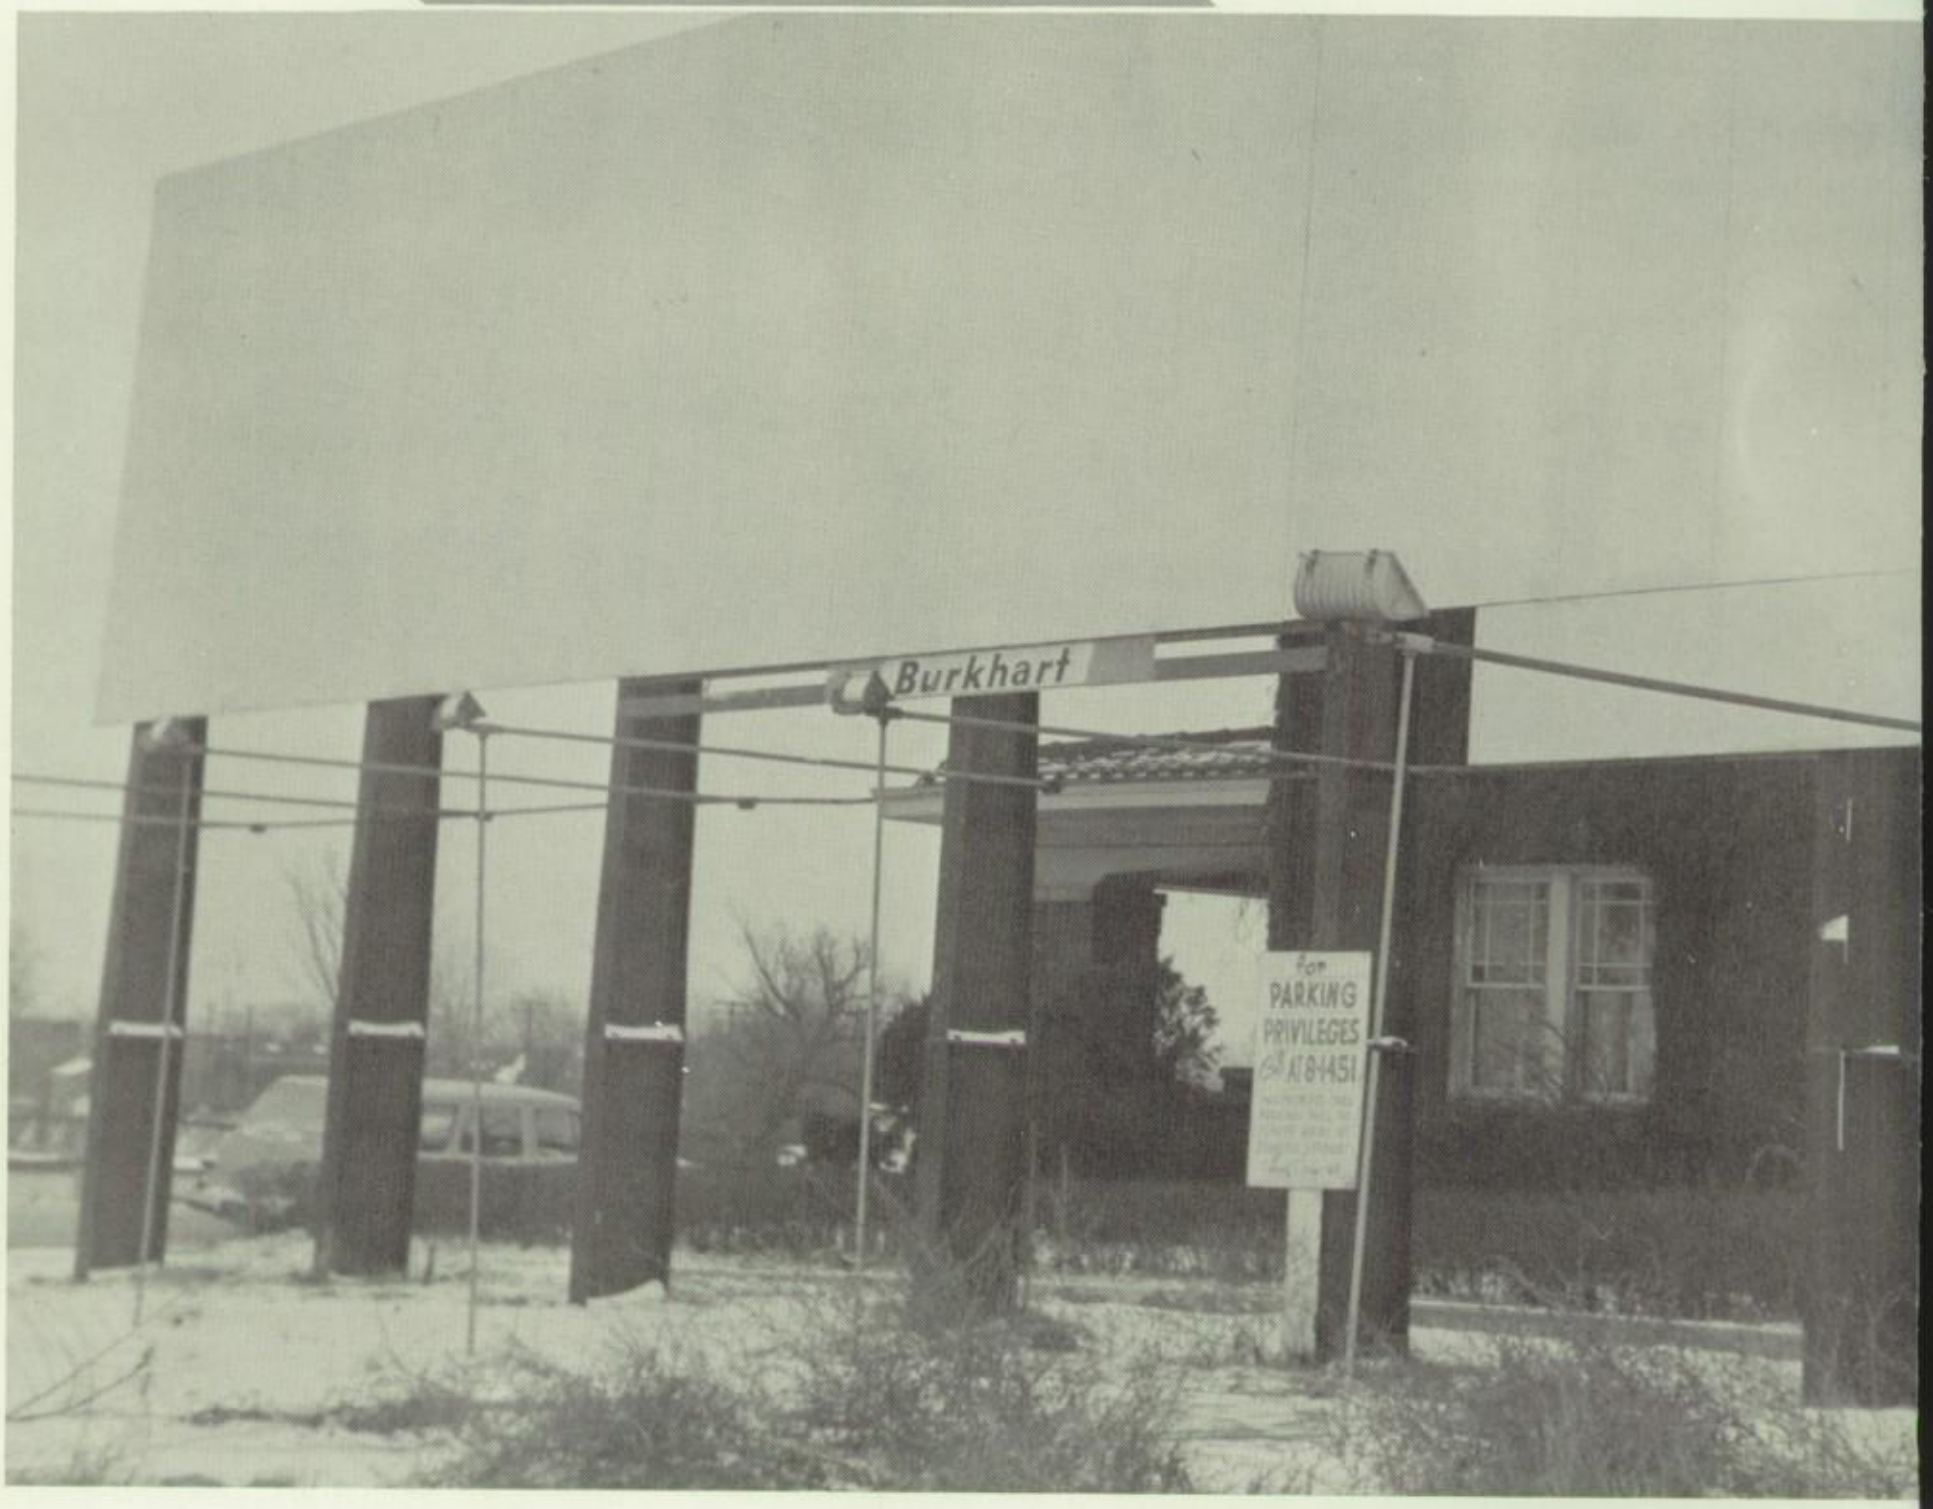
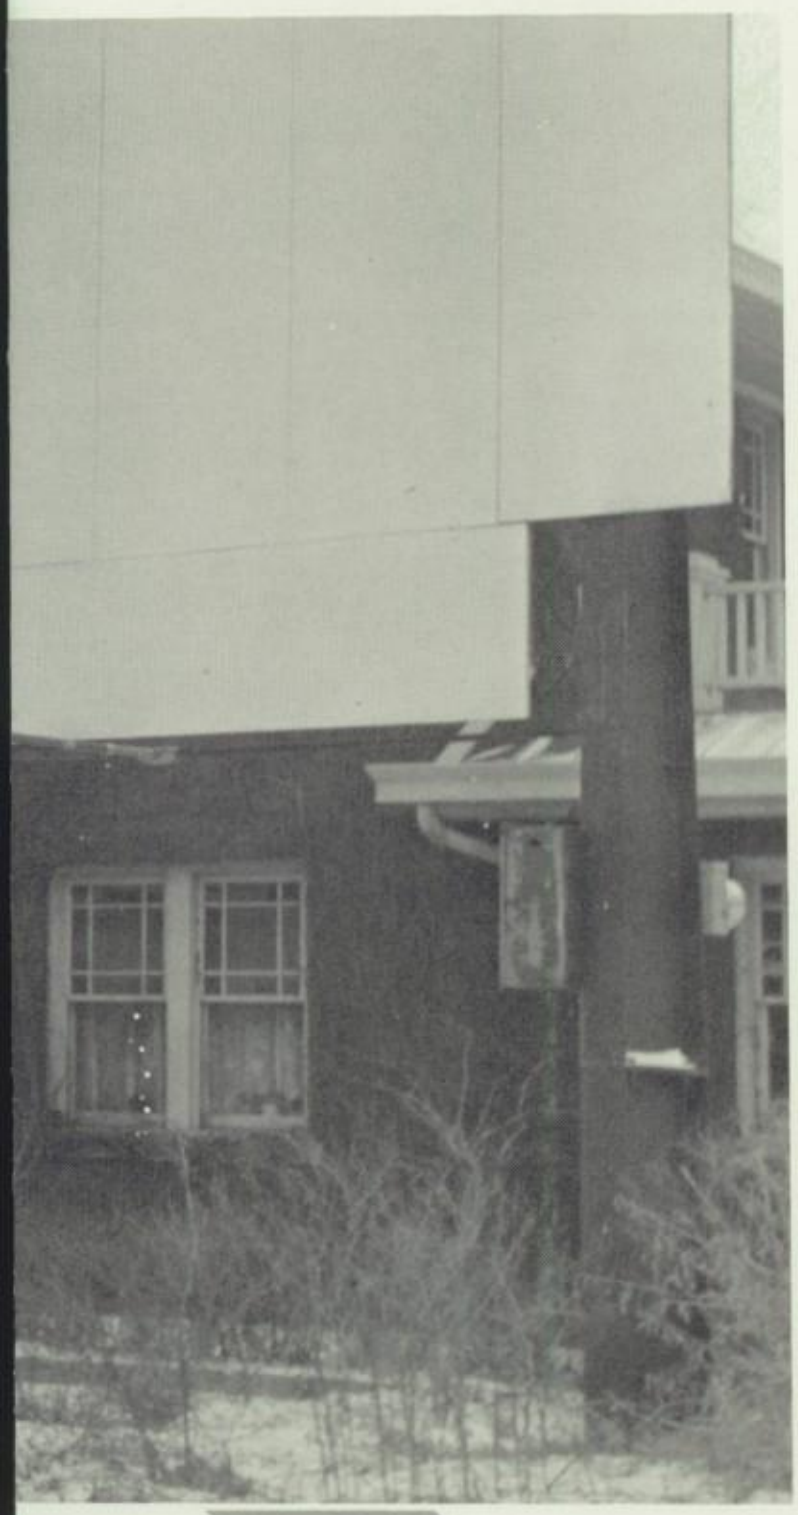
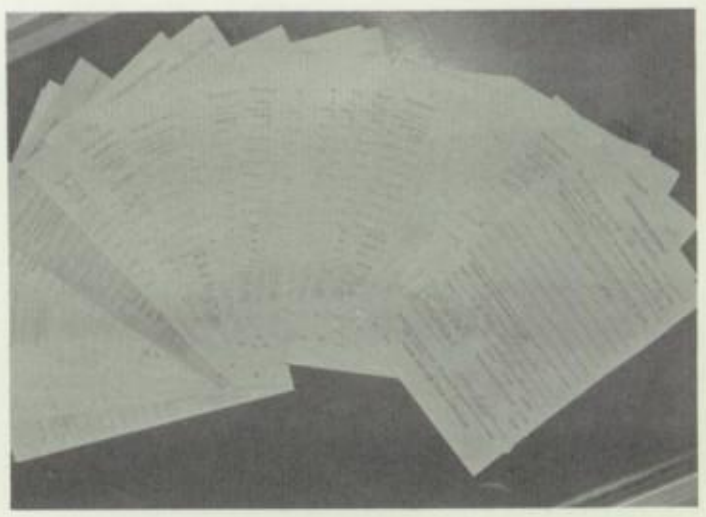
Our *aim* was education; our goal was graduation. Only we, as individuals, know whether our goal was deserved. But, whatever the case may be, these four years have brought joy and sorrow, friends and foes, and, most of all, memories. The halls are empty, the books are closed, a portion of our lives is gone forever. But ahead of us are more *aims*, more goals, and we will strive forward eagerly.

AIM IN



SALES





FINANCING...
a vital part of our economy

How many people pay cash for their cars? Less than one-third of America's car-owning population . . . the remaining two-thirds finance some part of the purchase.

Over the years, as high-cost products were developed and sold to the public, finance companies paved the way by providing the purchasing power to buy them. TV sets...stereo sets...washers and dryers...and a host of other products could not have been consumed by the public in huge quantities if finance companies had not made the money available to the public. Associates Investment Company is proud to be a part of America's growth and progress, and will continue to play a vital role in America's economic future.

As the third largest independent sales finance company in the country with over $1½ billion in assets, Associates provides financial services to every segment of the public—financing cars, trucks, mobile homes, farm equipment, home improvements, income-producing machinery and equipment for business and industry; making personal installment loans; extending credit to all types of businesses; leasing; providing physical damage, credit life, group life and ordinary life insurance coverage; and furnishing banking services to South Bend residents.

Associates employs over 7,000 men and women in over 450 cities in 46 states and Canada—nearly 1,700 in the South Bend-Mishawaka area alone.

I suppose you're wondering why I choose to write here well! it's because that hall reminds me of your head it's ~~something~~ empty but beside all that fucking you have the potential to be a good 440 runner so I say good luck

Many events have occurred during the past school year and the 1965 Hoosier Poet Staff hopes that this yearbook will bring warm smiles and fond memories to you in the years to come.

Our sincere appreciation for the welcomed advice and assistance is extended to our advisor, Miss Stroup, to our photographer, Mr. Clayton, and his student assistants, Dean Frick, and Mike Weaver, Mr. Bob Hastings, Publisher, and DeGroff Studios.

Our warmest thanks is extended to you for supporting the Hoosier Poet.

Remember me always

Ha! Ha! Ha!

-Dave-

A real great Herbster, my great cousen who finially beat me in a sport. I'll get you next year in footbal when I make all-state quarterback (ha-ha) and when I make 145lbs state wrestling (ha-ha), and low hurdles champion (ha-ha). Putting all kidding aside I wish you the best of luck in the coming year at Riley and with Sharon

Good Luck,

Andy Adamson (swede)

-Dave-

To one of the greatest pals I've got, to a great quarter miler, and to a great expert on girls. I hope you've had as much fun as I have in track, especially the bus trips. Seriously I hope you practice on your running because I believe you could go all the to the state meet next year. Now don't laugh, you can do it! Everyone believes you can; only about 3 seconds off your time. Good luck with all sports, studies and the girls.
